Dear Howard County League Supporter;

Happy Valentine's Day! It's the 75<sup>th</sup> anniversary of the League of Women Voters of Howard County (LWVHC)! Please show the League some love by gifting it a special contribution this Valentine's Day.

Your charitable donation will help the League of Women Voters of Howard County make democracy work in these ways:

- Register voters
- Organize the Annual Legislative Brunch
- Provide testimony to the County Council and the General Assembly
- Offer televised candidate forums
- Print Voter Guides for the Special, Primary and General Elections, distributed free of charge to county libraries and senior centers
- Present programs about the environment, foreign affairs, & current events

We hope you also find the League websites useful during the current legislative session, and that you access the numerous other free resources on our website, and on the other websites that we support, the LWVMD, the LWVNCA, and the LWVUS.

We are appealing to you because membership dues can't support all our League's activities. Maintaining a year-round focus on making democracy work is costly, so it is critical that you donate to this annual Valentine Appeal.

With your help, we can continue to make democracy work! It is traditional to give an amount equal to the age of our League, 75 years or \$75, or a multiple of that number. Since the LWVHC is now a 501(c)(3) charitable organization, your donation may be tax deductible for both federal and state tax returns.

**You can make your donation by check, payable to the League of Women Voters of Howard County, Inc. (or LWVHC) and mailed to our address, or use Paypal online at the League's website DONATE button [hoco.lwvhowardmd.org](http://hoco.lwvhowardmd.org)**

Happy Valentine's Day and thank you!

Sincerely,

Cynthia Williams, President  
5430 Vantage Point Road, Suite C, Columbia, MD 21044
