Re: Council Bill 9-2017

At its February 2, 2017 meeting the League of Women Voters of Howard County voted to support passage of Council Bill 9-2017, in so far as it conforms to the following position recently endorsed by the League of Women Voters of the United States.

"The League of Women Voters is opposed to deportation of non-criminal undocumented immigrants. The League supports cities, towns, counties and states that make a decision not to cooperate with federal deportation and enforcement actions that include non-criminal undocumented immigrants..."

We understand that amendments have been introduced to the original bill. The League of Women Voters urges the Council to pass a final bill that best protects Howard County's non-criminal undocumented immigrant population from fear of deportation.

Thank you,

The Board of the League of Women Voters of Howard County
