LEAGUE OF WOMEN VOTERS®
OF QUEEN ANNE'S COUNTY

2020 Primary Election Guide for Queen Anne's County

June 2, 2020

[last updated March 19, 2020]

Greetings

This *Voters' Guide* is published by the League of Women Voters of Queen Anne's County and covers all races and their candidates appearing on the 2020 Primary Election ballot for Queen Anne's County residents. The League has a long tradition of publishing the verbatim responses of candidates to questions important to voters. During Presidential Primary Elections, the national League invites candidates for president to participate in the *Voters' Guide* based on specified criteria (see *President of the United States* section for details). Local Leagues invite all Republican and Democratic Party candidates for state or local office who filed with the State Board of Elections to submit information about their candidacy to our web-based VOTE411 system.

All invited candidates were asked to provide their campaign contact information and their responses to a series of questions posed for each office. Those candidate responses appear as written in their own words and are included in VOTE411 in their entirety; all responses provided to the questions are included in this *Guide*; however, only the candidate website, if available, is included here for contact information. Go to VOTE411.org to see all candidate-submitted information.

The League offers this *Voters' Guide* to assist citizens in their decision-making process as

they prepare for participation in the 2020 Presidential elections.

The League does not support or oppose any political party or candidate. This *Guide* is for the benefit of individual voters and should not be marked by others for organizations or individual voters. Material from the *Guide* may not be reproduced in whole or in part without permission of the League of Women Voters.

The League assumes no liability for errors or omissions. The candidates' answers in the *Guide* appear as submitted. Only candidates whose names are on the 2020 primary ballot are included in this *Guide*.

The League of Women Voters is a nonpartisan organization whose membership is open to all persons at least 16 years old. Its mission is to encourage the informed participation of voters in the democratic process. The League promotes political responsibility through informed and active participation of citizens in their government.

The League of Women Voters is where hands-on work to safeguard democracy leads to civic improvement. Learn more at LWV.org and VOTE411.org.

The League thanks all candidates who submitted answers to our questions and our generous donors who made this *Guide* possible.

Party Primaries in Maryland

Party primaries in Maryland are “closed” primaries. You must be a member of a political party to participate in that party’s primary, though all voters may vote for nonpartisan offices such as the Board of Education. You may change your party affiliation up until the close of voter registration on May 12 by completing a voter registration form and submitting it to your Board of Elections. You may also change your party affiliation online if you have a Maryland driver’s license or identification card from the Motor Vehicle Administration. If you have not previously registered to vote, you may register during early voting (May 21-28) at an early voting center in your county and choose a party at that time. For those already registered, you may correct your address or other information during early voting; however, you cannot change your party registration at that time.

In Maryland, only the Republican and Democratic candidates appear on official Primary Election ballots published by the Board of Elections.

HOW TO USE THIS *GUIDE*

Read this *Guide* with your sample ballot in hand and mark your sample ballot accordingly. Take your sample ballot with you when you vote as you are not permitted to use electronic devices, such as smartphones, tablets, and computers, inside polling places. Pay attention to the number of votes you can cast for each race; checking more than the maximum allowed will invalidate your vote for that race. Check both sides of your ballot for additional races. Only candidate information available at the time of our publication deadline is included here; for more up-to-date information on candidate responses, we recommend you check VOTE411.org.

President of the United States

DUTIES: The President is: the head of state of the United States of America; the Chief Executive Officer; and, the Commander in Chief of all military forces. The powers of the President are prescribed in the Constitution and federal law. The President appoints the members of the Cabinet, ambassadors to other nations and the United Nations, Supreme Court Justices, and federal judges, subject to Senate approval. The President, along with the Cabinet and its agencies, is responsible for carrying out and enforcing the laws of the United States. The President may also recommend legislation to the United States Congress.

TERM: Four years, limit of two terms.

SALARY: \$400,000 per year.

NOTE: All presidential candidates who will appear on Maryland’s ballot are listed in this *Guide*. The League of Women Voters of the United States, through the League of Women Voters Education Fund (LWVEF), established criteria to determine which candidates to invite to respond to questions for the *Voters' Guide*.

Candidates qualified for invitations from LWVEF to provide responses to specific questions if they met the following criteria:

- The candidate must have made a public announcement of her/his intention to run for President.
- The candidate must have met the Presidential Election Campaign Fund Act’s minimum contribution threshold requirements for qualifying for matching funds, based on the most recent data publicly available on the Federal Election Commission’s website.

Candidates meeting these criteria after the print deadline for this *Voters' Guide* will be invited to participate. Their responses will appear online at VOTE411.org.

In addition, please note that voters cast a ballot for candidates in only one party during the Presidential primary season. LWVEF is required to have at least two candidates for President from the same party meet the above criteria before launching a *Voters' Guide* covering that party. At this time, only one candidate running for the Republican Party’s nomination for President has

met the LWVEF criteria listed above. Therefore, no Republican presidential candidates have yet been invited to participate. As soon as any two Republican candidates meet the criteria or the party's national nominating convention occurs, LWVEF will invite the qualified candidate(s).

Republican Candidates

Republicans may vote for 1.

Donald. J. Trump

Campaign Website: www.donaldjtrump.com

Bill Weld

Campaign Website: www.weld2020.org

This candidate did not meet the participation criteria by the print deadline and has suspended his campaign.

Democratic Candidates

Democrats may vote for 1.

Joe Biden

Campaign Website: <http://joebiden.com/>

ELECTIONS AND VOTING: I've fought for voting rights since I first got involved in politics, helping to secure several extensions of the Voting Rights Act. But in 2013, the Supreme Court ripped the heart out of those voter protections. As president, I'll enact legislation to restore the full force of the Voting Rights Act, and my Justice Department will challenge every one of the new Jim Crow laws that are now curtailing people's right to vote. I'll also boost state funding for secure voting with a paper record, and for better information-sharing. I'll fight for automatic and same-day voter registration. And I'll make sure that any country or group that seeks to interfere in our elections faces real and serious consequences.

COMMON GROUND: The next president will inherit a divided nation and a world in disarray. They'll need to hit the ground running to fix Trump's mess, restore our global standing, and bring people together to get things done. Our next president will need to be a president for ALL Americans. I refuse to accept that we can't work together to solve tough problems. It's what democracy is all about. We can rebuild the middle class with historic investments in infrastructure, tackle prescription drug companies' profiteering, build on Obamacare with a public option - and so much more. I know how to find common ground without compromising my values.

IMMIGRATION: We're a nation that values immigrants - it's how we've constantly been able to renew our democracy. As president, I'll reverse Trump's assault on our values on day one, ending his cruel asylum policies, especially his Migrant Protection Protocols, family separation, and public charge rule. I'll address the root causes pushing people to flee Central America. I'll act immediately to protect Dreamers and their families. Then, I'll invest real political capital to finally deliver legislative immigration reform to modernize our system, giving nearly 11 million undocumented

people a path to citizenship, updating our visa system to sharpen our economic competitive edge, and preserving family unification and diversity as cornerstones of our system

GUN VIOLENCE: Gun violence is a public health epidemic. We need courage to stand up to the NRA and fix our broken gun laws. I've beaten it before - twice. As president, I'll do it again. I'll ban assault weapons and high-capacity magazines and require background checks for all gun sales. I'll fight for red-flag laws and close the Charleston and boyfriend loopholes, to get guns out of dangerous hands. I'll invest in smart gun technology and new strategies to reduce daily gun violence in cities. I'll work to heal trauma that outlasts shootings, starting by doubling the number of school mental health professionals. And I'll address the deadly nexus of gun violence and domestic violence, starting by signing into law the Violence Against Women Act of 2019.

CLIMATE CHANGE: Climate change is our most urgent threat. Beating Trump won't end it, but it's key to all progress. In 1986, I introduced one of the first climate bills; PolitiFact says I'm a "climate change pioneer." Now, I've outlined a bold plan to match today's crisis - putting us on a path to a 100% clean-energy economy and net-zero emissions by 2050. On day one, I'll rejoin the Paris Accord, restore American leadership, and push the world to do more. I'll invest \$1.7 trillion in clean energy research and development, and in transforming our infrastructure - from electric vehicle charging stations to high-speed rail - reducing emissions and withstanding the impacts of a changing climate, and creating 10 million good-paying jobs, that can be union jobs

COMMON GROUND: Right now we have a president who wants to divide us up by the color of our skin, our country of origin, our gender, our religion and our sexual orientation. Bernie is going to do exactly the opposite. We are going to bring our people together – black, white, Latino, Native American, Asian American, gay and straight, young and old, men and women, native born and immigrant.

Not only is Bernie going to be Commander in Chief, he will be Organizer in Chief. He will rally the American people and stand up to the greed of the corporate elite.

We'll build the grassroots movement necessary to enact the transformative change we need on climate change, health care, education, a higher minimum wage, workers' rights, criminal justice, and more.

IMMIGRATION: Bernie will act immediately to overhaul our broken immigration system and enact a humane policy at the border and in the interior that respects human and civil rights. As President, Bernie will:

- Use executive authority to reverse Trump's harmful actions on immigration.
- Place a moratorium on deportations and end ICE raids.
- Restore and expand DACA.
- Push Congress to enact a fair, swift, and inclusive path to citizenship for undocumented immigrants.

- Break up ICE and CBP and return their core functions to their previous departments.
- Decriminalize and demilitarize the border, and ensure due process.

- Lift Trump's draconian refugee caps and taking in those forced from their homes due to climate
- GUN VIOLENCE:** Bernie will take on the NRA & pass common sense gun safety legislation.
- Expand background checks & end the gun show loophole
- End the "boyfriend" loophole to get guns out of the hands of domestic abusers & stalkers
- Ban the sale & distribution of assault weapons
- Ban high-capacity ammunition magazines
- Enact a voluntary buyback program for assault weapons
- Regulate assault weapons in the same way as fully automatic weapons, essentially making them unlawful to own
- Crack down on "straw purchases," where people buy guns for criminals
- Support "red flag" laws & legislation to keep guns out of the hands of domestic abusers and stalkers
- Ban the 3-D printing of firearms & bump stocks
- Pass Equal Access to Justice for Victims of Gun Violence Act

CLIMATE CHANGE: Together, we'll launch the decade of the Green New Deal, a ten-year, nationwide mobilization centered around justice and equity during which climate change will be factored into virtually every area of policy.

As president, Bernie will declare a national emergency on climate change and take immediate, large-scale action to reverse its effects. Bernie will use executive authority to aggressively regulate greenhouse gas emissions, ban fracking, ban offshore drilling, rejoin and strengthen the Paris Climate Agreement, and more.

Bernie will work with Congress to pass a comprehensive Green New Deal to create 20 million good-paying union jobs while meeting the IPCC emissions reductions targets and transforming our energy system and our economy

Representative in Congress Congressional District 1

DUTIES: Representatives make laws along with the members of the Senate, and may conduct investigations on issues of national importance. Laws that impose taxes always begin in the House of Representatives. Representatives can recommend that the Senate remove from office a public official accused of a crime.

TERM: Two years

BASE SALARY: \$174,000

HOW ELECTED: Elected by voters in each congressional district. Maryland has eight of the 435 Representatives, based on the state's population in the 2010 Census.

Website: www.house.gov

Questions

GOALS: Why are you running for this office?

IMMIGRATION: What, if anything, would you change regarding immigration policy?

HEALTH CARE: Would you vote to continue the Affordable Care Act as it is, expand it, or eliminate it? Please explain.

ENVIRONMENT: What should be the federal government's role in addressing national and global environmental concerns?

GUN SAFETY: What policies do you propose to reduce gun violence?

ECONOMY: How would you address the growing income gap in our society?

DISCRIMINATION: What initiatives would you propose to address bias based on race, gender identification, sexual orientation, religion, or disability?

STUDENT LOANS: What actions would you support to reduce burdensome student loan debt?

Republican Candidates

Republicans may vote for 1.

Jorge Delgado

Campaign Website:

<http://www.delgado4maryland.com>

GOALS: After carefully considering my opponent's dismal record and hearing the disappointment of voters in our district, I weighed my policy experience working on Capitol Hill and decided the only way to change the status quo and give Republicans in Maryland's 1st Congressional District a clear choice, was to challenge the incumbent.

IMMIGRATION: Jorge adamantly opposes sanctuary cities, which are unlawful. When we lose control of our borders and we are unable to safely vet those entering our country, it becomes a matter of national security which strains our resources. In order to help protect and secure our borders, Jorge strongly supports building the wall, utilizing high-tech tools, additional funding for judges and Border Agents.

HEALTH CARE: From newborns to seniors, Eastern Shore families need access to safe, affordable healthcare. Jorge is committed to combating surprise billing, lowering prescription drug prices, as well as protecting and preserving Social Security, Medicare and Medicaid.

ENVIRONMENT: Jorge opposes seismic blasting off Maryland's coast. He is a strong supporter of the Land and Water Conservation Fund, a program that provides critical resources, without federal taxpayer dollars, for coastal conservation and restoration. Most importantly, Jorge knows Maryland must hold its neighboring states accountable for any harm caused that adversely affects our beloved Chesapeake Bay.

GUN SAFETY: Jorge strongly supports law abiding citizens 2nd Amendment rights and ability to defend themselves. He believes our Police should have all the proper resources required to protect our communities. We must also ensure

that we are properly funding threat assessment centers and mental health facilities. Our community challenges need local input & diverse partners to find solutions to complex problems
ECONOMY: Jorge is a strong supporter of the free enterprise system. It has been the greatest source in upward economic mobility and allowing people to reach their full potential.

DISCRIMINATION: As a Hispanic Republican, Jorge hopes to show through his actions that we all can break barriers. Discrimination has no place in our society.

STUDENT LOANS: Students need upfront and clear information of the harm that debt will create on their future. With over \$1T in student loan debt, it is a looming crisis that will create severe challenges when it bursts. Students should be aware of other opportunities such as trade schools, community colleges, and other alternatives that may better meet their long term goals.

Andy Harris

Campaign Website: <http://www.andyharris.com>

GOALS: I am running for re-election to make sure that everyone in the First District will have a representative in Congress who pays attention to what the people need from the federal government, listens to them, and can provide timely and effective constituent services when problems arise for them with any federal agency, like Social Security, the VA, Medicare, or the IRS.

IMMIGRATION: We need to be sure that we have an adequate supply of temporary foreign workers for industries important to the First District, like the crab picking industry and the tourism industry. I have been a leader on these issues in Washington, since so many small and family-owned businesses in the district depend on those workers, especially when the economy is so good and employees are so hard to find.

HEALTH CARE: We need to make health care more affordable - that was the main problem with

the Affordable Care Act. We need to bring down the cost not only of insurance (maintaining coverage for any pre-existing conditions), but of health care itself. We have to bring down the high cost of prescription drugs, and we should have price transparency for all medical services and drugs.

ENVIRONMENT: By encouraging the use of exploration and production of natural gas to replace coal to generate electricity, the federal government brought down CO2 use in America for the third year in a row, exceeding the reduction of many countries in the Paris Climate Accords. We need to encourage the use of clean energy, especially exploring new advances in nuclear power generation which are safe and clean.

GUN SAFETY: Gun crimes must be prosecuted to the fullest extent of the law. In Baltimore City, where Maryland's strict gun control laws have failed to stem the tide of handgun murders, we should send in federal law enforcement and prosecutors to help find and prosecute everyone who commits a felony with a handgun, and everyone who illegally possesses or attempts to buy a gun. We should enforce current laws.

ECONOMY: The successful economic policies of the Trump administration have resulted in a \$5,000 increase in the median family income in America over the last five years, and the lowest unemployment rate in half a century, with record low unemployment for African-Americans and Hispanics. Strengthening our economy and resisting socialist policies are the best way to increase incomes.

DISCRIMINATION: There are enough laws on the books, but in many countries in the world, there is an increasing problem with religious discrimination, especially against religious minorities like Christians, Jews, and Muslims. I applaud the President's efforts to fight religious discrimination world-wide, and more needs to be done. Congress should be a partner with the administration in these efforts.

STUDENT LOANS: Lower cost higher education

alternatives need to be developed. With the new digital age, online education is underutilized. We need to consider a new, less expensive plan for college - such as the first 2 years online, at one-fifth to one-tenth the cost. The last 2 years, and graduate education could still be on a physical campus. We also need to encourage career training in high school.

Democratic Candidates

Democrats may vote for 1.

Allison Galbraith

Campaign Website: <http://www.flipthefirst.com>

GOALS: I met Andy Harris. I'd gone to him concerned repeal of ACA protections would make it impossible to obtain private insurance and keep my small business. He told me he didn't think "most people" would mind if women paid more for health insurance. My background is in policy and federal acquisition; I didn't think they'd mind if I took his job. Representatives should work for all of us. I will.

IMMIGRATION: We need sensible, humane policies which treat immigrants with respect and compassion. The Eastern Shore relies on foreign workers and H-2B visas to sustain MD's \$355M seafood industry. Each one helps to create 2.5 jobs, while shortages devastate the economy. We require a comprehensive long-term solution as part of a more adaptable and responsive visa system and expanded pathways to citizenship.

HEALTH CARE: ACA offered relief for many, but is far from perfect. We can protect and expand ACA, Medicare, Medicaid, and CHIP while striving for quality, affordable, universal healthcare, including reproductive/mental health, dental, long term care, and Rx coverage. This would improve health outcomes, lower costs, enable job mobility/entrepreneurship/retirement, and ease burdens on small biz and caregivers.

ENVIRONMENT: Pollution, global warming, sea

level, and extreme weather events do not respect political boundaries. It is a global crisis; the U.S. has a responsibility to be a leader in tackling environmental issues at all levels. Let's rejoin the Paris Agreement, transition to clean, renewable energy, build sustainable communities, strengthen environmental laws, curb climate change, and protect our planet.

GUN SAFETY: I'd work to repeal the Dickey and Tiahrt Amendments, which hinder efforts to research gun violence and trace guns, fully fund law enforcement efforts at ATF and gun violence prevention research at CDC, require universal background checks, prohibit possession by domestic domestic abusers, and promote a gold standard of responsible ownership among owners while penalizing negligence, and more.

ECONOMY: First and foremost, we must ensure that the very wealthiest among us are paying their fair share—a Prime subscription shouldn't cost more than Amazon pays in federal taxes. We must raise the minimum wage to a living wage. But we must also address inequality through an intersectional lens, and acknowledge and address how inequality disproportionately affects women and people of color.

DISCRIMINATION: We must enforce existing discrimination laws, and ensure that we are properly addressing complaints of discrimination in the public and private sectors. We should also federally legislate these issues so that bias based on race, gender identity, sexual orientation, etc. isn't permitted just because you crossed from one state into another. We also must finally codify the ERA into the Constitution.

STUDENT LOANS: Advanced education is increasingly necessary to compete in today's job market; meanwhile Americans owe ~\$1.6T in student debt. I'd work to ensure educational opportunity—college, trade schools, continuing ed, professional training, etc.—is accessible to all. A comprehensive solution to student debt must be explored also, including loan forgiveness program options and lending reform.

Mia Mason**Campaign Website:** <http://miadmason.us>

GOALS: I'm running to represent Maryland District One by restoring Accountability, Equality, and Integrity as sworn to the Oath of Office. Our current representation works against our citizen's healthcare concerns, their fundamental civil rights protections, and leads education systems into despair. Therefore, we seek to renew the primary goals of communities to have better education, jobs, & healthcare.

IMMIGRATION: Families need a legal pathway system to help represent those at trial or for those who seeking immigration rather than deportation. We're looking to reduce costs for families who are separated and burdened with little regard for those who are actual citizens. We do not believe in deportation for small infractions, only those with felonies as major crimes. We're a nation of immigrants since 1607.

HEALTH CARE: We seek to expand ACA to Medicare for All. Our Goals are ensuring providers meet all standards of Medicare for all, with expansion to all ages. We are protecting pre-existing conditions & ending exclusions that allow discrimination of care or denial of treatment and medicines. Private insurers & employers should be in compliance to have healthier workers by 2030. Thus, you can keep your plan too.

ENVIRONMENT: First, we must sign to Paris Accords again. Then enact legislation to have our Federal EPA comply with protecting our environment, and not delegate responsibilities to private sectors. We must fund our Chesapeake Bay protection fund to assist our communities, councils best, and companies to reward their efforts in protecting our Bay, State, and Planet in Solar, Wind, and Energy Storage utilities.

GUN SAFETY: We would propose adding all weapons permits, training, and carry status on the back of driver license or Real ID for easy reading. License additions shall include your guns as authorized to carry by type, a designation of

your training certification for those weapons, and any FFL Status. Doing this provides a reduction of paperwork, additional permits, & can allow joint multi-state authorizations.

ECONOMY: For Education, we support the Kirwan commission reporting and seek to support the state from a federal level as needed. For Infrastructure, we would seek innovation companies, manufacturers, and small businesses to keep our twelve Counties thriving. For Wages, we would co-sponsor House Bill 582 Raise the Wage Act and seek passage of Senate Bill 150 for a federal minimum wage of \$15.00 per hour.

DISCRIMINATION: Currently, 38 states support the Equal Rights Amendment. Therefore, I would sponsor a bill to our House of Representatives to introduce the Constitutional Amendment again. We seek to protect all our Civil Rights Act of 1964. As a member of the LGBTQ community, we seek to protect everyone for their national origin, race, gender identification, sexual orientation, religion, disability, or religion.

STUDENT LOANS: For student loans, we seek to reduce interest rates to be no higher than ten percent ever for private loans to for-profit schools. Forgive those loans of our veterans and communities who are applying for assistance. Ensure the Department of Education holds any and all colleges accountable. DOE should also seek to provide a pathway to make non-profit colleges tuition-free for all our communities.

Jennifer Pingley**Campaign Website:** <http://www.electjenrn.com>

GOALS: We need leadership that already has an established process for evaluating problems and legislation. I call it 'the nursing process.' I am well versed. I truly believe I am the leader who can bring a consistent approach to the needs of Maryland's First Congressional District.

IMMIGRATION: Pause ICE for 6 months. Give Illegal immigrants one chance to properly get on the path to citizenship. I like ankle monitors for

asylum seekers to empty the holding cells. I want an immigration process as easy to understand as the picture menu at a fast food restaurant.

HEALTH CARE: I like the ACA as it is. I would only suggest adding my "Primary Care for All Citizens" legislation. This starts with an expansion of Medicare part A to include primary care service and move from a reactive healthcare model to proactive healthcare model. Proactive is cheaper and has better outcomes.

ENVIRONMENT: The federal government needs to ensure that a scientist or a science competent leader is the head of the EPA. This should be a position that requires a confirmation hearing. America should be the forerunners of environmentally friendly, and we are way behind. We can start by re-entering the Paris Agreement.

GUN SAFETY: Establish an independent entity to monitor background check for gun owners and perform private gun vaulting in domestic cases. Highly encourage gun safety and responsibility from an early age, such as in the Boy Scout and the Eddie the Eagle program. Make mass shootings an act of domestic terrorism.

ECONOMY: Stabilizing student loans and healthcare costs will help stimulate the economy. As well, investing in green ventures can and will bring economic stability to tourist and farming regions.

DISCRIMINATION: For high crimes against humanity through discrimination and hate, I propose an offender registry. Just like sex offenders. I will lead by example and make my office as inclusive and as representative of the district as possible.

STUDENT LOANS: Get everyone into government-controlled student loans to stop the predatory nature of the current system. I also think making community colleges free would help students decide their educational path without acquiring as much debt because they decided to change their major.

Convention Delegates

Congressional District 1

Delegates represent the local party at national conventions; how they are chosen is determined by the state party. A presidential contender's name appears in parentheses after the candidate's name only if he or she has been approved by the contender or their campaign. While all candidates were invited to provide campaign contact information and to respond to two questions concerning (a) their qualifications and (b) factors important in determining whom they will support for president, only candidate names and their approving presidential campaign, if provided, are printed in this *Guide*. Any additional information on these candidates is available at VOTE411.org.

Delegates/Alternates to the Republican National Convention

Maryland will send a total of 38 delegates to the Republican National Convention, which will be held August 24-27, 2020 in Charlotte, NC. Each of the Congressional Districts will elect 3 delegates and 3 alternates. The presidential contender receiving the greatest number of votes in each District will receive the votes of all three of that District's delegates. Each voter may vote for up to 3 candidates for delegate and 3 candidates for alternate.

In addition to the 24 delegates elected by the voters, 11 at-large delegates will be selected at the Maryland GOP convention by members of the State Republican Central Committees or their proxies. The votes of at-large delegates will be allocated to the presidential contender receiving the greatest number of votes in the primary

statewide. Finally, three party leaders (the National Committeeman, the National Committeewoman, and the chairman of Maryland's Republican Party) will attend the convention and vote by virtue of their positions.

Delegates to the Democratic National Convention

Maryland will send a total of 119 delegates and 8 alternates to the Democratic National Convention, which will be held July 13-16, 2020 in Milwaukee, WI. Voters from each Congressional District will vote for 7 to 9 delegates per District, for a statewide total of 65 elected delegates. Male and female delegates will be selected separately. Congressional district-level delegates will be selected based on the proportion of the vote won

by the presidential candidate to whom they are pledged.

In addition to the 65 delegates from the Congressional Districts, there will be 23 delegates who are automatic party leaders and elected officials (PLEO) based on the positions they hold. Finally, the Democratic State Central Committee will select 10 additional party leader (PLEO) delegates and 21 at-large delegates. Additional details about the delegate selection process are posted on the Maryland Democratic Party website.
