February is Discussion Group Choice Month, when each DG decides on a different activity to learn more about a specific issue, visit an interesting site, or just be together for a meal and socializing. This is an opportunity to join other League members and friends for a new experience. Here are the activities for this February.

Is Montgomery County as diverse as the Post says? What is the county doing to welcome immigrants? Find out at the Upcounty DG meeting on Sunday, February 10 from Yunie Hong, the Program Manager at Gilchrist Immigrant Resource Center. What services are offered to help prison inmates get on their feet after release? Join Rockville PM’s tour of the Boyd’s Correctional Facility on Monday, February 11. For a convivial Italian dinner, join the Tuesday PM DG at Vincino in Silver Spring on Tuesday, February 12. Want to learn about early American health and medical practices and a doctor who practiced them in colonial Annapolis? Join the Rossmoor DG on Wednesday, February 13. Would you like a tour of the National Museum of African American History? Join the Silver Spring DG on Thursday, February 14. If the government shut down is ongoing, the DG will tour the National Museum of Women in the Arts.

If you would like to learn about the latest innovations in fire fighting and equipment, join the Bethesda Potomac DG at the county’s newest fire station Shady Grove Station 32 on Wednesday, February 20th.

Members are welcome to attend any or all of these activities. Please see page 4 of The Voter to find the contacts to join a DG choice activity and details on where and when to meet. – Kathy Krause

**President’s Letter**

"Everyone professing democracy should have not only an open mind but a certain charity of the soul that appreciates the qualities in others"

Frank Lloyd Wright - 1952

Everyone,

Welcome to a busy 2019! As the League of Women Voters of Montgomery County enters its 100th year we see our ranks increasing to almost 500 members. The Challenge now is to keep our members engaged.

Here are some suggestions: 1) join a discussion group, 2) join a resource committee, 3) sign up to attend Legislative Day in Annapolis March 5th, 4) enter the 100th year calendar cover contest, and 5) become a member of the 100th year LWVMC celebration committee.

As of January 1, 2019, LWVMC-CEF has become dormant since LWVMC now has IRS 501(c)(3) status. This means that dues and donations are tax deductible (to the extent of the law) and will be payable to LWVMC. Much easier for all!

February is “go see” month for the discussion groups. Check out the interesting field trips scheduled. Plan to attend one or more of these activities. They are open to all League members and also friends!

Yours in League,  
Nancy

In Memoriam

We are sad to note that 50-year member Gladys Rabinow passed away in September of 2018. Gladys originally joined the LWV of Prince George’s County in 1948, and then transferred to LWVMC. LWVMC has received a donation In Memory of Gladys.

LWVMC also received donations In Memory of League Members Ruth Berk & Judith Heimann (“A true women’s advocate.” “She was a mentor, a long-time friend and a strong advocate for important civic issues. I will miss her dearly.” “...whose life and career remain a beacon of hope for all disenfranchised people”). Additional donations were received In Memory of Ellen Leary and Elaine P. Friedman, “who was active with LWVMC in the 1960’s through the early 1990’s.”

### IMAGINE THE FUTURE IN MOCO

The Winter Speaker Series sponsored by the Planning Department has begun, “Imagine the Future of Montgomery County” and now is the time to learn more. This three-part series focuses on the upcoming revision of the General Plan and helps us better understand the broad trends and challenges facing the county over the next 20 to 30 years.

The General Plan is better known for the wedges and corridors that divide the county and guides all master, sector, and functional county plans. The General Plan is updated on a regular basis and has been guiding land use since 1964.

Mark your calendar for the two remaining sessions in the speaker series.

#### February 13

Harriet Tregoning (former Principal Dep. Assistant Secretary of the Office of Community Planning and Development at the U.S Department of Housing and Urban Development) will speak on the topic, “What is Resilience, Positioning Our Communities to Thrive in Changing Times”.

#### March 20

Joe McAndrew (Director of Transportation Policy, Greater Washington Partnership) will examine recommendations to address our region’s most pressing transportation challenges.

Where? Park and Planning Headquarters - 8787 Georgia Avenue, Silver Spring, 20910

When? 6 to 7:30 pm

### Board Highlights

Redistricting Reform: Steve Daubresse reported that League members from 7 of our 8 legislative districts have met (or are about to meet) with their delegates and senator to present the League’s position and seek their views. Next steps will be visits to their Annapolis offices to drop off more information and remind them of our strong interest in action this year, in time to affect redistricting after the 2020 census.

County Council grant: In our application for a FY 2020 grant, we will request funds to help with the cost of producing a Spanish language version of the Voters’ Guide.
Calendar Cover Art Wanted!

Put on your berets. Get out your pens, pencils, brushes and warm up your computers. Next year will be the 100th for the League of Women Voters and we want to put out a wondrous calendar that people want to put in the vault for the next 100 years. That leads us to a contest for a 100 year anniversary calendar cover.

We want you to design a cover for our 2020 calendar that people will remember for the ages and buy for themselves and all their friends and relatives. We want them to use it as a calendar and value it as art. Are you up to it? To submit a design:

- It must be a pdf file
- It must be 8.5" h x 11" w
- It must be submitted by June 1, 2019
- It must have the name of our League (see the top line on the figure) and our contact information (the bottom 2 lines on the figure) somewhere in the design
- You must research copyright issues for any images used in your design and submit the research with your design.

If you want to use our logo, contact our office and it will be provided to you. If you want to use the 100 year slogans adopted by the National League, they are: “100 Years Strong” and “Creating a More Perfect Democracy.”

Once all designs are received at the deadline, a panel of judges will look them over and the winner will be informed. The winner’s design will be used on our 2020 calendar and their prize will be the exposure they receive from the wide dispersal our calendars offer. Our calendars go all around Montgomery County as well as all around the country.

Any questions may be directed to the League office at 301-984-9585 or lwvmc@erols.com or to Gretchen Blankenship at 301-229-8539 or blankeng.g@aol.com.

MEMBER SPOTLIGHT

NAME: Alex Brodie
FIRST HOMETOWN: Cape Town, South Africa
FAVORITE HOMETOWN: Bethesda, Maryland
LEISURE OBSESSION I am a movie junkie. I’ll watch anything from a paranormal horror to a sappy romcom to a thrilling space adventure. My favorite movie spot is Bethesda Row Cinema; the vibrant chatter and lively audience experience makes for the perfect viewing experience.
WHAT I’M GLAD I’M GOOD AT: I am outspoken and enjoy talking to people. I have never been afraid of walking up to strangers and starting a conversation. I participate on my school’s debate team, so I am not afraid of public speaking – or lively discussion!
SECRET AMBITION: Well, I guess it won’t be a secret now, but I would love to publish a dystopian novel one day. I am fascinated by Orwellian/Atwood worlds of the future, and I think it would be exciting to be immortalized for a work of fiction.
LEAGUE-SINCE WHEN, WHERE? I joined the Montgomery County League in October of this year.
LEAGUE-WHY NOW? From a young age I have been fascinated by government and its many moving parts. In middle school I became more interested (my attention turned to) in public policy and elections. I have been volunteering for the Board of Elections since 8th grade, and I have enjoyed it very much. Last year I realized most public policy is influenced long before elections take place. As I started to look around for a more grassroot experience, I met an LWV member at the polls. I was really excited to hear about the many projects LWV works on that have a direct impact on the community. I joined in October and here I am!
-Marcia Kingman
LWVMC Supports Ranked Choice Voting

A bill authorizing the use of ranked choice voting (RCV) in Montgomery County will be introduced in the General Assembly this session. At the delegation bill hearing on December 17, Nancy Bliss gave testimony in support of MC-29-19, Montgomery County—Voting Methods. Twelve other organizations and individuals testified in favor of the bill. A detailed written statement was also submitted explaining the League’s long history of studying the issue and adopting positions supportive of RCV.

Several League members also attended a “Day of Action” in Silver Spring, organized by RCV for Maryland. A panel of RCV experts included Ralph Watkins for LWVMC, as well as representatives from Common Cause, Green Party, and the Voters Initiative. Another panel included legislators who support RCV: bill sponsors Senator Cheryl Kagan and Delegate Eric Luedtke, County Councilmember Hans Reimer, and Takoma Park Mayor Kate Stewart and Councilmember Jarret Smith. Recommended actions included: (1) write to your county councilmembers asking them to adopt a resolution expressing support for MC-29-19 and (2) write to your state delegates and senators asking them to support the bill. – Karen Bury

Time for Redistricting Reform!

Maryland is back in front of the Supreme Court for the 2011 creation of congressional district boundaries. The Supreme Court will decide whether or not the map of Maryland’s 6th district must be redrawn in time for the 2020 elections and may place limits on partisan gerrymandering in general. LWVMD is fighting to make sure that the next round of redistricting in 2021 will be transparent and result in fair maps for Maryland voters, regardless of the Court’s decision.

Voters in other states were able to place redistricting reform measures on the ballot in 2018 and these measures were approved. The Maryland Constitution does not provide this instrument of direct democracy. Therefore in Maryland, elected officials must be relied on to provide districts created without using partisan devices. Poll after poll has demonstrated that the overwhelming majority of Marylanders want the current redistricting process to be replaced with one that is conducted by an independent commission. Thus, LWVMD has made the passage of redistricting reform legislation its top legislative priority for the current session of the MDGA. Join the LWVMD fight by contacting the leaders below. Democracy cannot be without you! Contact Nancy Soreng (nsoreng@comcast.net) or Steve Daubresse at sd.lwvmc@outlook.com or sign up at http://www.lwvmd.org/ttg_volunteers.

LWVMC NEEDS YOU!

For our Tuesday, MAR. 5 Lobbying Day in Annapolis

It’s that time again so…Come one, come all -- it’s exciting to take the positions we have studied and worked so hard to establish and talk with our legislators about them. We do this annually on LWVM’s Legislative Day in Annapolis. And LWVMC has a reputation for bringing enough members to meet in teams of two with each of our 32 legislators. SO WE NEED YOU TO VOLUNTEER.

Usually we aim to arrive by 8:30 am for 20-minute legislative appointments between then and 10 am, when the legislative session starts. We can also expect some in-depth briefings by relevant speakers and a special lunchtime speaker. Optionally one can stay later to sit in on committee meetings or full sessions of the House or Senate.

Call or e-mail Linda Silversmith, action co-vice president, to sign up for Tues., Mar. 5: 301-641-9508 (cell) / 301-294-0566 (home) / lindas@capaccess.org. We will arrange car-pools so let me know if you are willing to drive or prefer to be a passenger.
LWVMD Looks to Successful Year

First, let's take a minute to highlight the League’s successes in this last election cycle. Our heartfelt thanks to Ralph Watkins (LWVMC) and all the local League members who worked long and hard on their Voters’ Guides and Vote411.org. A second shout out goes to Barbara Crain and all the local Leagues that produced candidate forums, and last, but not least, to the speakers who provided explanations of the ballot questions. This combination of effort and expertise allowed LWVMD to do an amazing job informing voters about candidates and issues for the 2018 election.

For the past few months we have concentrated primarily on the voter’s service aspect of our work. The State Board is making redistricting the #1 legislative priority in the 2019 legislative session. If we are to have a chance at putting Mr. Gerrymander in his place, the 2019 session is it. Now is the time to use all of the newfound connections we made in our mid-term electoral work!

Save the Date for Legislative Day in Annapolis

We are now making plans for a fantastic Legislative Day on March 5. See the sign up flyer in this Voter. It's always a great day visiting Legislators and spending time with other LWV members.

Introducing the Nancy Soreng Young Professional Advancement Fund

Nancy Soreng (LWVMC) has dedicated her life to advancing democracy and safeguarding the well-being of communities for today’s generation and the next. In her many League roles, she has been a tireless and omnipresent force in Maryland and beyond. Of all the contributions Nancy has made to the League, one is unique and exemplary: as a “never say no” mentor, Nancy has unstintingly trained new leaders ensuring a lasting League legacy. She has generously shared her knowledge and experience and found new ways to engage future generations. Creating this fund is but one small way to honor Nancy’s selfless and unending commitment to service. This fund in her name will be used to provide future generations the opportunity to learn from the League’s tradition of nonpartisan voter education and issue-based advocacy. This fund is now live on the LWVMD website and open for donations to support LWVMD’s efforts to engaged & advance young professionals in the spirit of Nancy Soreng.

REPORT FROM STATE CIRCLE

By the time this Voter is in the mail, the first issue of Report from State Circle from the LWV of Maryland should be out. RSC is a publication of LWVMC, where volunteer reporters cover a broad spectrum of social, economic, environmental and governmental proposals before the MD General Assembly. LWV volunteers monitor these issues from the League perspective, focusing on long-considered positions and yearly priorities. Each of six issues should arrive approximately every two weeks while the MD General Assembly is in session. If you have not received it yet, please contact the LWVMC office.

LWVUS Update for February

HR1 Democracy Reform Legislation

HR1 was the first bill introduced in the new House of Representatives. This legislation includes many election reform pieces that are in line with core principles of the League. The LWVUS was an active coalition partner of over 100 organizations helping to shape the language of this bill and ensure our priorities were included in the final legislation.

HR1 is a policy reform package that will modernize our election system, reform redistricting, and restore the Voting Rights Act. To reducing the undue influence of Big Money we are also working to ensure that a small donor public financing system is included as a priority in HR1.

2020 ONE WOMAN, ONE VOTE

The 2020 One Woman, One Vote Festival is a collaboration with national organizations and cultural institutions to present films, concerts, exhibitions, and public events celebrating the passage of the 19th amendment guaranteeing U.S women the right to vote. From now through 2020, we will be joined by leaders from Congress, business and the entertainment industry to celebrate a century of women’s voices in society. For information got to 2020owovfest.org.

Comic Strip on Redistricting Reform

LWVUS developed a comic strip on why redistricting matters. It also includes strategies for working toward redistricting reform in your community. Don’t miss this fun resource! salsa.wiredforchange.com/dia/track.jsp?v=2&c=zlgzQGytXlau74EMC14o8GJmEvxY7Wqh
