I have served as both a delegate and alternate delegate to Republican National Conventions.

I am familiar with possibilities that may occur at a Presidential Nominating Convention.

I am a past and current member of

I served as General Counsel to then-House Speaker Newt Gingrich, and as General Counsel to then-YRNF Chairman Kevin McCarthy. I also served on the Professional Resource Team at the 2012 GOP Convention, Deputy Sergeant-at-Arms at the 2008 convention, and as security at the 2004 Convention. Finally, I was an alternate delegate from Maryland at the 2000 and 1992 GOP Conventions.

The role of a convention delegate is simply to nominate a candidate to be a party's official candidate to run for president. There is no required skill set per se that would qualify a person to be a delegate, but I would say that important for a delegate is to be integrous and actually vote for the candidate for whom he or she has pledged to vote.

As an elected official in the Maryland House of Delegate serving Western Maryland, I care deeply about the direction our country is going. In 2012, I was honored to be named the Republican Man of the Year by the Maryland Republican Party. In addition, I serve as the Chairman of MDPetitions.com where we strive to give people a voice in government.

Henry M. Ramirez (Bush)

Governor Jeb Bush has selected me to be one of his pledged delegates.

Robert Schaefer - Website: Schaeger.com

I am a lifelong Maryland resident, an Engineering grad from UMCP, and a voting Republican since my college days. I'll bring an Engineer's skill set to the task of representing CD6 at the Convention. We'll need to draft a functional but inspirational platform, and in the case of a brokered convention it's critical that we choose carefully for the future of the party and the country. Schaeger.com

Was Romney delegate ; served on the GOP Central Committee for 4 terms; served as Commissioner of Children and Youth; currently HOA board member and Sec.; served as Member of the Ethnic Affairs Committee; Chairman Gov. Christie's style of leadership is what we need: "Tell It Like It Is" As a federal prosecutor after 9/11, he knows the pain and suffering of the families of the victims. I believe he would be a strong leader on the world stage and not let other countries to push US around! MD is indebted to his friendship and assistance to Gov. Hogan.

ISSUES: Why have you decided to pledge your support to your candidate?**Barrie S. Ciliberti (Trump)**

Election 2016 began with this: Hillary and her Coronation, JEB with Millions and his nomination. Then came the SERVER and The DONALD. Donald said, "stop illegal immigration, enforce borders, build the wall, restore jobs, make American great again". Trump is a fighter, not an elitist establishment wimp. He advocates for what Mr. and Mrs. America think, want, and need.

Daniel F. C. Crowley

As a life-long GOP activist, I will support the nominee and work with him to build a broad-based, inclusive GOP Majority party

Mr. Donald J Trump is a Proven Leader in International Business, Real Estate, and Charity Giving. He is Pro-Life, a Strong Supporter of our Veterans, The 2nd Amendment, National and Border Security, Defense, the US Economy and Jobs, Immigration and Health Care Reform, and Social Security. He Brings Back the Patriotic Vision of Ronald Reagan to "Make America Great Again". Donaldjtrump.com/positions

Angela Ariel McIntosh (Carson)

Dr. Carson is a constitutionalist with an excellent grasp of the roles of the three branches of government. A good presidency begins with understanding and respecting the privileges and limitations of that office.

Dr. Benjamin Carson is the best candidate because he is a proven leader and godly man of quiet impressive accomplishment who will succeed beyond expectations if given the chance.

Neil C. Parrott (Cruz) - Website: www.neilparrott.org

I support Ted Cruz, because he has conservative values that we can count on.

As Solicitor General, he defended 2nd amendment rights, the 10 commandments, state's rights, and US sovereignty before the Supreme Court. At the FTC, he pursued free trade by removing deals for special interests. As Senator, he fought against Obamacare & Planned Parenthood funding while working to defend our borders.

Henry M. Ramirez (Bush)

Governor Jeb Bush has been a highly successful governor. He stands firmly for School Choice; for Life; for Capitalism; of all of the Republican presidential candidates he is the only one who knows very well who are the Mexican Americans and how best to serve their civil rights.

Robert Schaefer - Website: Schaeger.com

Schaeger.com is where I discuss the issues that drive me to become politically active; I have chosen not to support a specific candidate at this time. Some issues: ensuring bench appointments respect the constitution, paying down the national debt, restoring the rule of law, affirming our 1st and 2nd amendment rights, restoring our leadership globally, replacing Obamacare with sensible reforms.

Linda Lee Seibert

Donald Trump will have the courage to address the important issues facing the nation. They include the creation of job opportunities, fair border control for the security of all Americans including legal immigrants, protection of America against terrorism and appointing judges and Supreme Court justices who will uphold the Constitution and protect our freedoms and rights.

Donna Buser Wallizer

I am a person deeply committed to the American political process and have been peripherally involved since serving as a page in Annapolis in 1978-1979. My ability to make thoughtful, reasonable decisions has been extensively tested in both the public and private sectors and has been proven. I'm a fiscal conservative and uncommitted to a candidate at this time. (#NeverTrump) Civility matters.

Brett Wilson (Cruz) - Website: vote4brettwilson.com

I believe in strong Constitutional government and the rule of law. In my opinion, Senator Ted Cruz similarly believes in these ideals.

Greg Decker (Cruz)

I am a Tea Party Patriot. I am currently serving as Organization Chair for the Montgomery County GOP Central Committee and as Montgomery County Coordinator for the Ted Cruz for President Campaign.

Evelyn Kim Garver

Politics is my passion. This is the most important election of our lifetime. My knowledge of the candidates make me a qualified candidate. I am also a good negotiator and communicator, and would embrace the opportunity of representing the party and Maryland at the national convention. I would like to show my children that it is important to get involved in local politics and make a difference.

Jonathan W. Glaser (Rubio)

Founder and former President of Thomas S. Wootton High School's Young Republican "Lincoln" Club.

Pamela Q. Pencola (Carson)

I believe that our nation was founded on Christian principles which made it possible for America to prosper in all aspects of living- economic, intellectual, social, emotional, and spiritual.

James H. Savage (Trump)

Gerald L. Williamson (Carson)

I am a life-long Republican. I care deeply about this country and the direction it is going. Dr. Carson presents a clear and stable approach to our issues and feel he is the best person for the job.

ISSUES: Why have you decided to pledge your support to your candidate?

Ginger Bigelow (Trump)

Donald Trump is a Leader! This Country has had such weak leadership for the last seven years that Donald Trump is a breath of fresh air! His boldness and his lack of political correctness is what our Country needs! I believe America has been taken advantage of and Donald Trump is the man that can change it. He is a visionary and has a brilliant mind! America needs a strong change!

Dan Cowell (Kasich)

Kasich is the only candidate to serve as Governor & Congressman. His experiences will be instrumental in leading us. I value his economic policy since eliminating an OH budget shortfall & reducing taxes. We need to tackle the rising national debt! Although I do not agree with every position Kasich has taken, he is the most capable of all candidates to diplomatically resolve national issues.

Gary Edward Davis (Rubio)

Increased military spending. Limit Drone strikes in favor of capture & interrogate; use Guantanamo and advanced interrogation (as needed). Reimpose sanctions against Iran; a known state sponsor of terror. Strong Pro-life values. Sound immigration reform that begins increased border security. Wants Keystone XL. Repeal/Replace Obamacare, Balanced tax policy. WILL unite the party and beat Hillary.

Greg Decker (Cruz)

I support Ted Cruz because he is a consistent conservative and has courageously fought the governing class in both parties. He has consistently done exactly what he said he was going to do. He stood up against ethanol subsidies in Iowa. On the Senate floor, he stood up against Obamacare, against raising the debt ceiling and against the "Gang of Eight" immigration bill. Ted Cruz is the real deal!

Evelyn Kim Garver

Donald Trump is the right candidate for this time in our countries history. His views on issues such as immigration, the economy, jobs, and the 2nd Amendment appeal to me and many Americans. He is also the right candidate to stand up to the democratic nominee during the debate and election cycle because he has the passion and convictions of his beliefs and will fight to defend them for voters.

Jonathan W. Glaser (Rubio)

Marco Rubio brings moderate Republican values as well as a plan to cut taxes. As a student, I know the value of planning for the future and he has a plan to create a "New American Century." He is the candidate that can win the Presidency because of his ability to bring the Republican Party together.

Pamela Q. Pencola (Carson)

Dr. Carson recognizes that our decline is the result of having lost our true values. He has the spiritual and intellectual foundation to revive, inspire, and heal us so that our nation can lead again.

James H. Savage (Trump)

As a conservative, patriotic American, I believe Donald J. Trump is the only Presidential candidate with the vision and proven leadership abilities to Make America Great Again. I have pledged my support to Mr. Trump. I ask for your vote. In return, I pledge that I will faithfully execute my duties as your Delegate at the Republican National Convention.

Gerald L. Williamson (Carson)

See above. Just listen to the other candidates. Their ranting and demeanor are not the type of person I want in the White House.
