Elizabeth Landry (Sanders)

I am a graduate student and Registered Nurse committed to attending the DNC. I have experience as a shop steward and negotiation facilitator for National Nurses United, and make it my priority to represent voters. I also aspire to fulfill the recommendation of the Initiative on the Future of Nursing (2010) to embody nursing and healthcare advocacy for Maryland and the Democratic Party at the DNC.

Melanie Oringer (Sanders)

I am a Registered Nurse & Administrative Manager with more than 30 years experience working with non-profit & community outreach organizations on issues relating to education, diversity, & stakeholder engagement. I understand that progress does not just happen, rather, it takes dedication, collaboration & hard-work. It would be my honor to represent my neighbors who seek a safe & equitable future.

Lily Qi (Uncommitted)

As a highly visible Asian American leader, I have been encouraging and facilitating political activism of our fast-growing immigrant Asian communities for over a decade through advocacy, writing, and community leadership. I am well-informed and open-minded on policies and politics. My participation as a delegate will inspire other immigrants to get more involved and care about local affairs.

Nadia Syahmalina (Clinton)

I have 10+ years experience as a community activist working with local and national non-profit organizations to increase civic engagement, health education, youth activism, community outreach efforts to promote diversity. To be able to represent your voice and concerns at the DNC will be an honor. It will take all of us working together to ensure a great America for our seventh generation.

ISSUES: Why have you decided to pledge your support to your candidate?

Suzi Williams Kaplan (Sanders)

I trust Sanders' judgement when faced with critical decisions for our country. I agree the basis for solving most of our problems, domestic and foreign, is found in resolving our issues of economic inequality. I support the concept of creating balance between our capitalist economy and the social programming that is government. I think Sanders' will foster integrity in politics and public service.

Elizabeth Landry (Sanders)

Senator Sanders stands for issues very close to me as an RN, especially universal healthcare, expanding social security and improving care for veterans. It is my duty to be a patient advocate both at the bedside

and in the community. Every issue in Senator Sanders' campaign vows to improve the quality of life for my patients and all Americans.

Melanie Oringer (Sanders)

Bernie Sanders will lead us to a better future. He embodies honesty, integrity, and courage. He understands all the pressing issues facing our nation and has real plans to address them: healthcare; climate change; economic & educational inequity; civil rights; legal justice. It is important to remember that we cannot become what we need to be by remaining what we are.

Lily Qi (Uncommitted)

N/A I am not committing to any particular candidate. I want to support a Democrat for this election in order to advance the progress we have made as a country and a society on many fronts, including gay rights and access to healthcare, etc. I will support the Democratic choice for president among the final candidates.

Nadia Syahmalina (Clinton)

Hillary Clinton is a resilient champion for issues that are near and dear to my heart, most especially healthcare, education reform, and economic reform. She believes that college should not be a financial burden for Americans, that affordable healthcare is a right, and the economy should work for everyone (especially women).

Chair of the Montgomery County Democratic Party, and a life-long Democrat with a wealth of experience: working for candidates; precinct official for 3 decades; and marching and fighting for equality, women's rights, unions, and liberal/progressive causes. Former Mayor of Washington Grove for 3 terms. Educator for 25 years. Committed, with proven skills, to get progressive Democrats elected

Kiril Reznik (Clinton) Website: www.reznikformaryland.com

For the last 8+ years I've served as State Delegate in the House of Delegates for District 39, the only district wholly within CD6. I'm currently Chairman of Health and Human Resources Subcommittee on Appropriations & Vice Chair of the Montgomery County Delegation. Prior, I served on the Central Committee and was an officer in a number of Democratic clubs.

ISSUES: Why have you decided to pledge your support to your candidate?

Darrell Anderson - uncommitted

As Chair of the Montgomery County Democratic Party during a contested Democratic primary, I felt I had an ethical obligation to maintain a neutral stance. At the convention, I will vote for the candidate that best matches my commitment to liberal/progressive values and causes.

Kiril Reznik (Clinton) - Website: www.reznikformaryland.com

Secretary Hillary Clinton is the most qualified Presidential candidate in our lifetime. Her experience, her service, and her commitment to progressive values is unparalleled, and she would continue the incredible achievements that President Obama has had over the last 8 years.
