#### **Joseph David Hooe**

U.S. Senate Candidate, Lifetime Republican, Trusted Conservative

#### **Laura Neuman (Rubio)**

After a successful career in business, I had the great pleasure to serve Anne Arundel county as the 8th county executive, appointed by the County Council. Combined with my work in Howard County and my

longtime work as an advocate for women's rights, I have experienced the joy of serving the community. I will always look for ways to make a difference and being a convention delegate is just one way.

**Peter Pollak (Fiorina)**

Prior to moving to Maryland in 2007, I lived in Albany, N.Y., where I was a journalist, educator, and entrepreneur. I spent a several years engaged in lobbying the NYS Legislature and my company, Empire Information Services, earned the accounts of dozens of state agencies offered computer communications that reduced the need for printing and mailing expenses.

**Mattie Procaccini (Cruz)**

I have been involved in political campaigns for many years

**Brian A. Sailer (Bush)**

I have been involved in Republican politics for over 25 years; currently serve on the finance committee of the Republican Governors Association; and provide executive level business management and political consulting to accelerate public private partnerships at the federal & state level.

As a delegate I bring lifelong experiences from multiple careers. As a Navy Academy graduate, I spent 34 years with the navy retiring as a Captain. Retired from Defense Intelligence Agency after more than 2 decades. Was the 2014 Republican candidate for delegate District 13. Appointed by the Governor and confirmed by Maryland Senate to serve as a member of the Board of Airport Zoning Appeals.

**ISSUES: Why have you decided to pledge your support to your candidate?**

**William H. Campbell (Cruz)**

I believe that Senator Cruz has a proven track record of protecting our constitutional rights, standing up to the Washington establishment to make the Federal government both smaller and more responsive to the citizens that it serves, and has an economic plan to grow our economy. His intellect, personal integrity and consistency are exemplary, and worthy of our highest elected office.

Changes in the party are needed., **Julie E. Cram (Bush)**

**Jamie Falcon (Bush)**

I believe the world is more peaceful when America is strong. I support free trade and free markets. I believe in the equality of opportunity for all people.

Joseph David Hooe - No response by deadline

**Laura Neuman (Rubio)**

Marco Rubio has consistently put forward positive plans to improve our country and he is the best candidate to lead our country into the next chapter. I am looking to him to bring us together and provide bipartisan leadership. He is the candidate who consistently talks about his positive plans for our country.

### **Peter Pollak (Fiorina)**

Initially I supported Carly Fiorina because I found her to have clear answers to our complex problems, but as she did not catch on with the voters, I would cast my first round ballot with the person closest to overtaking Donald Trump.

### **Mattie Procaccini (Cruz)**

Ted Cruz is the only candidate whom, I believe, can restore America's integrity both domestically and globally. His foreign policy strategies are sound, sensible, and strong. He is a champion of the Constitution, a defender of religious liberty and life, and a friend of Israel.

### **Brian A. Sailer (Bush)**

Since my original candidate, Jeb Bush, has dropped out of the race, I am currently uncommitted to any particular candidate. If elected, I would represent the people of the 3rd Congressional District to the best of my ability. I will listen to my fellow 3rd District Republicans, and vote for the candidate that has the best chance of defeating the Democrat candidate and winning back the White House.

### **Shannon Wright (Trump)**

1. Audit the treasury for more transparency and eliminate waste and fraud
2. Empower neighborhoods
3. Increase the scope and type of opportunities in education
4. Bring jobs

### **Chris Yates (Trump)**

Trump's bid is an insurance policy against the Democrat's contenders. Since he can afford his campaign he is immune from super PACs. He draws sizeable audiences and his huge following portends an optimistic outcome in the race. He appeals to the independents and has the potential to allure Democratic voters as well. Donald Trump is our best choice to return a Republican to the White House.

**QUALIFICATIONS:** What are your qualifications to serve as a convention delegate?

### **Meredith Leigh Thompson (Rubio)**

Both as public information officer in Anne Arundel government and communications director at a large church, I've been committed to serving others. As a 20-something fiscal and social conservative, I represent a critical demographic in today's political climate.

## ISSUES: Why have you decided to pledge your support to your candidate?

### **Meredith Leigh Thompson (Rubio)**

I believe Rubio will keep us safe, improve our economy and uphold the Christian values upon which America was founded. He's protected defense funding, will rebuild our military and understands the threats we face. He's fought wasteful spending, proposed pro-family tax reform, and will cut taxes for businesses and help America compete globally. He consistently defends pro-life, traditional values.
