LEAGUE OF WOMEN VOTERS OF THURSTON COUNTY POSITION ON INDIAN RIGHTS

INDIAN RIGHTS
(adopted 1972, reviewed 2000)

**Education:** Support measures which promote the schools' responsibility to educate both Indian and non-Indian children about Indian history, culture, and present status.

**Health:** Support measures which will ensure that American Indians will be provided comprehensive and adequate health care by the United States government.

**Fishing:** Support measures which recognize the Indians' treaty rights to off-reservation fishing and fair allocation of the State's fishery resources, and which establish federal, state, and tribal responsibility for conservation of those resources.
