Ahead of the Curve, Legacy Washington's newest exhibit, celebrates the legacy of Washington women who won the vote in 1910 and reinvigorated the national movement. Ratification of the 19th Amendment was finally achieved in 1920. The exhibit spotlights 20 trailblazing women—from suffragists to soccer stars.

Join us at **3 p.m. on September 19, 2019**, at the State Capitol to salute a century of *sheroes*.
