Dear Chairman Peters:

The League of Women Voters of Thurston County (LWVTC) extends our sincere congratulations to you in your recent appointment to the Board of Trustees of The Evergreen State College.

We are pleased that your historic appointment is another step in advancing Tribal interests and issues in the higher education process; and will assist in government-to-government coordination in our institutions of higher learning.

Our members have had the opportunity to observe your leadership skills as host of the 2021 Centennial Accord gathering and as you helped create the Memorandum of Understanding between the Squaxin Island Tribe and City of Olympia. You bring a welcome spirit of positivity and optimism to your work that will be of benefit to the Board of Trustees.

The LWVTC fully supports your appointment and wishes you all the best.

Sincerely,

Karen Tvedt, President
