Europe Day is a perfect opportunity to remind ourselves that the EU was created as a project for peace, prosperity and freedom.

Today, therefore, is a great day to stress the importance of free movement.

The current state of border- and passport controls being reinforced at our inner borders is far from the vision the founders of the EU had for the continent. Schengen is too good to lose! #freemovement #EuropeDay #donttouchmySchengen #toogoodtolose

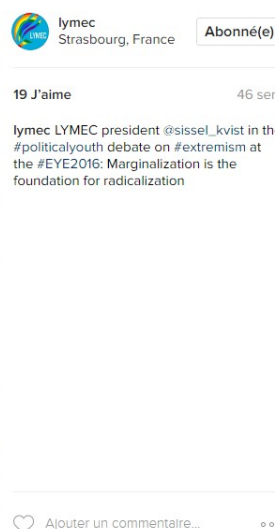

17th May 2016

Today is the International Day against Homophobia and Transphobia. LYMEC strongly supports all individual's equal rights to a safe environment in schools, workplaces and public space regardless of their sexual orientation or gender expression 🏳️💜💙💚💛💖👬👭 #YourRightsOurFight #IDAHOT2016 #LGBTI

Almost half of the British exports go to the European Union, as 7 of the UK's 10 largest export markets are EU countries. EU countries also count for roughly half of the foreign investment in Britain. Staying in the EU is far better for the British economy than opting out, as is shown in this picture from our member organisation @liberalyouth. Vote to remain on June 23rd!

Brexit will weaken both the EU and the UK, but we now turn our focus to the exit negotiations. In this we urge the EU to use the Brexit as a new beginning for the remaining 27 countries, cause the EU is simply #toogoodtoloose

This #ThrowbackThursday we are looking back at the #EuroPride last year in Riga as well as the #BrusselsPride earlier this year.

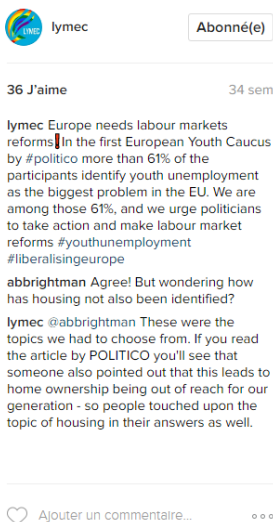

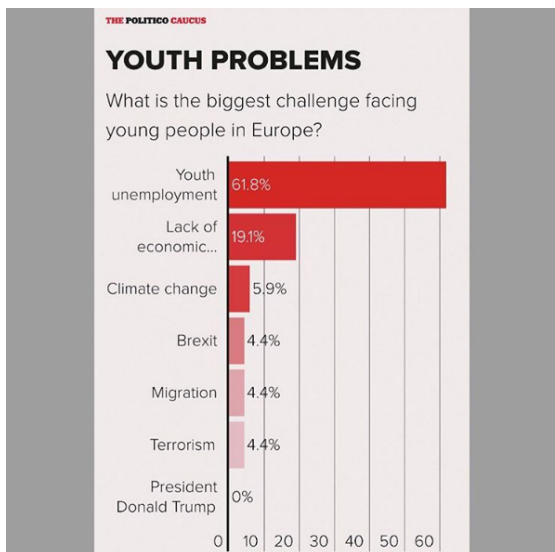

Even though the protection of #LGBTQ-rights is evolving it is still important for us to stand up for equal rights and non-discrimination. That's why you will find us at the #EuroPride2016 in #Amsterdam this Saturday.

Today is International Youth Day 🧑🧑🧑🧑 It should be a day of celebration, but for too many young people in Europe there is nothing to celebrate. Youth unemployment is a ticking time bomb under our society, leading to poverty, deskilling and social exclusion.

We urge policymakers on all levels to tackle the root of the problem: the inflexibility of the the labour markets. We need labour market reforms now! #internationalyouthday #youthunemployment #liberalisingeurope

As the European Parliament prepares to discuss the Commission statement on women's rights in Poland this afternoon in Strasbourg LYMEC joins the black protest in solidarity with the Polish women. No government should interfere in a woman's decisions regarding her own body, and as the abortion laws in Poland are already among the most restrictive in Europe any further restraint is outrageous. #czarnyprotest #blackprotest #womensrights #humanrights #poland #abortion

Today is #comingoutday celebrating coming out as gay, lesbian, bi or trans 🏳️🌈 We love that the day is marked many places in Europe such as with this rainbow zebra from the Netherlands, but we also think of the parts of Europe where coming out is still not safe.
