VINCE CABLE VISIT

Vince Cable is due to visit the Ferry Port on Tuesday afternoon 3.15 – 4.15. Everyone is invited to be there to welcome him and, numbers permitting to hear him speak.

However, for security reasons, you must let Nicky know if you are coming by 5pm Monday.

The visit, of course, is subject to the normal health warning that events are subject to last minute change.

AGENTS FOR THE COUNTS

Despite his many abilities John Wheeler cannot divide himself by 14! This means each council candidate will have to renounce him as their agent for 24 hours. This allows us to appoint a temporary agent to help council candidates at the count.

Please sign the form in the office. I caught a couple of you last night or today but if you haven't signed please can you pop into the office over the weekend and do so.

STAKE BOARDS and POSTERS

These are going up really well but Dean is craving even more sites, North or South.

If you have any sites please email me (pldcampaigns@yahoo.co.uk) or phone 023 9287 7733.

CAMPAIGN TABLOID

We are having a real big push to get these done by the end of Sunday.

POSTAL VOTERS

Postal votes are being posted on Monday. This means that polling day for the 15-20% of people with postal votes is, effectively, Tuesday or Wednesday.

This means we need a good push over Monday with the blue letters for postal voters and phoning or knocking for everyone else.

FUTURE DATES

April 29th Third TV Debate, BBC.
