Yes

Do you believe that scientific fact and the advice of health professionals should be paramount in decisions regarding public health crises like the COVID-19 pandemic?

Q7

Please expand on your answer to the question above.

Yes. They have done studies and research that a normal person has not so their knowledge should always be taken in consideration.

Q8**Yes**

Do you believe that proof of citizenship should be required in order to register to vote?

Q9

Please expand on your answer to the question above.

Many people in history have fought for us to have the right to vote. So, those need to make sure they are citizens to use those rights.

Q10**No**

Do you believe that laws covering the sale of firearms are sufficient? If yes, why? If no, do you believe they should be made more strict, less strict, or kept as they are now?

Q11

Please expand on your answer to the question above.

I believe fire arm restriction should be state to state basis, County to county, and district to district. Each area is not the same so we cannot treat them all as they are to same.

Q12**Yes**

Do you support amending the Kansas Constitution to eliminate the protection for individual reproductive freedoms contained in the Kansas Constitution?

Q13

Please expand on your answer to the question above.

Personally, I'm pro-life. But everything should be taken case by case basis.

Q14**Yes**

Do you believe that diversity in representation is critical to effective governing? If yes, as an elected official what will you do to promote and engage leaders who more accurately reflect the diversity of members in our communities?

Q15

Please expand on your answer to the question above.

It brings representation of all backgrounds it also gives us a better understanding of what is going on in our community and how the people truly feel.

Q16**Yes**

Do you believe climate change is real and caused by human activity? If so, what policies should legislators pursue to improve climate resilience?

Q17

Please expand on your answer to the question above.

Pollution has always altered the weather and the climate change I believe that if we make sure our communities are clean and healthy we will have more health climate.

Q18**Yes**

Do you support amending the current Kansas Act Against Discrimination to include the same protections for sexual orientation and gender identity?

Q19

Please expand on your answer to the question above.

We have to take a closer look at how it affects each area in our community and be able to adjust to each area.

Q20**No**

Should public funding be available for private school tuition via tax credit scholarships, education savings accounts, vouchers or other methods? What is your opinion about the current funding for Kansas schools?

Q21

Please expand on your answer to the question above.

Our children are not in those private schools they're also not getting the same education, we need to focus on our children in the public schools and be able to fund them so they can have the same advantage as the private schools.

Q22**Yes**

Do you support Medicaid expansion at a time when pandemic-induced job loss has left thousands of Kansans without health care coverage?

Q23

Please expand on your answer to the question above.

I believe that healthcare is a human right. This issue it's important to all Kansans especially during this pandemic.
