Q5

No

Incumbent?

Q6

Yes

Do you believe that scientific fact and the advice of health professionals should be paramount in decisions regarding public health crises like the COVID-19 pandemic?

Q7

Please expand on your answer to the question above.

My policy is facts first, everything else is opinion.

Q8**No**

Do you believe that proof of citizenship should be required in order to register to vote?

Q9

Please expand on your answer to the question above.

This is a bit of a gray area for me. I personally know of several people who have been living, working and paying taxes here that are here legally on work visa's. Should they NOT get a say in how their tax dollars are spent?

Q10**No**

Do you believe that laws covering the sale of firearms are sufficient? If yes, why? If no, do you believe they should be made more strict, less strict, or kept as they are now?

Q11

Please expand on your answer to the question above.

Firm believer in "common sense" gun laws. No military grade weapons, background check, proper liscencing, etc. Don't want children being afraid of getting shot when they go to school.

Q12**No**

Do you support amending the Kansas Constitution to eliminate the protection for individual reproductive freedoms contained in the Kansas Constitution?

Q13

Please expand on your answer to the question above.

I would NEVER have an abortion, even if my life were in danger, but NOONE should make that decision but me.

Q14**Yes**

Do you believe that diversity in representation is critical to effective governing? If yes, as an elected official what will you do to promote and engage leaders who more accurately reflect the diversity of members in our communities?

Q15

Please expand on your answer to the question above.

By reaching out to leaders of different groups (civic, social, religious, etc) having a dialogue with them, possibly bringing them all together for an exchange of ideas.

Q16**Yes**

Do you believe climate change is real and caused by human activity? If so, what policies should legislators pursue to improve climate resilience?

Q17

Please expand on your answer to the question above.

Complicated issue, but there are many possible solutions to pursue to improve climate resilience, but the first is EDUCATE!!

Q18**Yes**

Do you support amending the current Kansas Act Against Discrimination to include the same protections for sexual orientation and gender identity?

Q19

Please expand on your answer to the question above.

Human beings deserve the same protection under the law, regardless of who they love, or what gender they identify as.

Q20**No**

Should public funding be available for private school tuition via tax credit scholarships, education savings accounts, vouchers or other methods? What is your opinion about the current funding for Kansas schools?

Q21

Please expand on your answer to the question above.

Continued support of funding of public schools.

Q22**Yes**

Do you support Medicaid expansion at a time when pandemic-induced job loss has left thousands of Kansans without health care coverage?

Q23

Please expand on your answer to the question above.

To provide health care coverage for families that have none, and help ensure rural hospitals don't close!
