Do you support Medicaid expansion at a time when pandemic-induced job loss has left thousands of Kansans without health care coverage?

Q23

Please expand on your answer to the question above.

I call it the volume business model, or Wal-Mart mentality. The ACA changed the way doctors and hospitals are reimbursed for services. Not expanding Medicaid has created funding shortages for every hospital in the state. Several rural hospitals have closed and many are close to insolvency. We must expand Medicaid to increase funding.
