Q5

Incumbent?

Yes**Q6**

Do you believe that scientific fact and the advice of health professionals should be paramount in decisions regarding public health crises like the COVID-19 pandemic?

Yes

Q7

Please expand on your answer to the question above.

Our communities cannot be making the best educated decisions without using the scientific facts. We are using science to develop a vaccine so we need to use it to protect our economy and health

Q8**No**

Do you believe that proof of citizenship should be required in order to register to vote?

Q9

Please expand on your answer to the question above.

I think the system of using a drivers license has worked well more layers just make it harder to vote

Q10**No**

Do you believe that laws covering the sale of firearms are sufficient? If yes, why? If no, do you believe they should be made more strict, less strict, or kept as they are now?

Q11

Please expand on your answer to the question above.

A person carrying a deadly weapon needs training this is common sense so I support training and the necessity to provide poof to purchase

Q12**No**

Do you support amending the Kansas Constitution to eliminate the protection for individual reproductive freedoms contained in the Kansas Constitution?

Q13

Please expand on your answer to the question above.

The Supreme Court ruled that a women's right to choice is guaranteed in our constitution and i support their ruling

Q14**Yes**

Do you believe that diversity in representation is critical to effective governing? If yes, as an elected official what will you do to promote and engage leaders who more accurately reflect the diversity of members in our communities?

Q15

Please expand on your answer to the question above.

Our citizens need to be given the opportunity to serve on committees and boards so that no matter the ethnicity they can grow their leadership skills and then citizens need to vote to elect that diversity

Q16**Yes**

Do you believe climate change is real and caused by human activity? If so, what policies should legislators pursue to improve climate resilience?

Q17

Please expand on your answer to the question above.

We need to support utility companies as they invest in alternative sources of energy look at way to help citizens to recycle and make these changes part of everyday life

Q18**Yes**

Do you support amending the current Kansas Act Against Discrimination to include the same protections for sexual orientation and gender identity?

Q19

Please expand on your answer to the question above.

Everyone deserves protection from discrimination no matter their race,sex, sexual orientation or gender identity. Kansas has been and should continue to be a welcoming state

Q20**No**

Should public funding be available for private school tuition via tax credit scholarships, education savings accounts, vouchers or other methods? What is your opinion about the current funding for Kansas schools?

Q21

Please expand on your answer to the question above.

Families deserve to have educational choices but the public dollars do not need to directly fund that choice. Our courts have ruled on funding and we are on an adequate path we just need to stay on it

Q22**Yes**

Do you support Medicaid expansion at a time when pandemic-induced job loss has left thousands of Kansans without health care coverage?

Q23

Please expand on your answer to the question above.

I have work for the passage of medicaid expansion for the last five years. Expansion helps working Kansans to have health care, helps hospitals to provide services and creates health care jobs which grows our economy
