

**The biggest predictor of whether or not an unlikely voter will cast a ballot is if somebody reaches out to them about the election.** - Lindsay

## September 28 - October 12

### 1. Add 10 more friends to your contact list or recruit an Ambassador for 2021.

Or do both! Relational organizing only works because you do. The more you tap into your networks, the bigger the impact on voter turnout across the state.

### 2. Make sure your friends are registered to vote by October 12!

This is easy at [KSVotes.org](https://ksvotes.org). The voter registration deadline is **October 12** ([This is also the night of our GOTV Gala!](#)) Your friends who will be 18 by Nov. 2 can register to vote! Everyone else should check their registration, especially if they have moved or changed their name.

### 3. Help your friends sign up to Vote-by-Mail as soon as possible!

Anyone can request to vote-by-mail in Kansas, and we think everyone should! We suggest requesting your ballot at [KSVotes.org](https://ksvotes.org) by **October 12**, but you can technically request a mail-in-ballot up until October 26. Voting by mail is everything!

## October 13 - November 01

### 4. Encourage your friends to vote early!

#### Turn in that mail-in ballot

Did you talk your friends into voting by mail? Follow up to make sure they feel comfortable filling them out, and have a stamp! Voters who requested ballots will start getting them around **October 15** so check in then.

#### Vote early in-person

Early voting locations will be on [KSBallot.org](https://ksballot.org) by **October 13**. The first day of Saturday voting in many counties will be on October 23. [This video](#) shows you where to find this info on [KSBallot](https://ksballot.org).

### 5. Help your friends know who and what is on their ballot

Once you know exactly how they intend to vote, send them to [KSBallot.org](https://ksballot.org) to research who will be on their ballot.

**Oct. 22:** Join our coordinated social media push and get the word out about [KSBallot](https://ksballot.org). Share the [KSBallot](https://ksballot.org) post from [our page](#) with your networks.

### 6. Attend our Voter to Voter Textbank on October 28

Research shows that most voters start tuning in the final few days before an election. If your friends haven't voted by October 28, join us. **Extra credit: bring someone new with you that night!**

## November 02 - Election Day!

### **7. Get those stragglers to the polls on election day!**

Most polling locations open at 7am, although Sedgwick County (and maybe others) open at 6am. All polls close at 7pm, and those locations are also at [KSBallot.org](https://ksballot.org)

Use your Voter to Voter contact list to see who still needs to vote, and call them to make sure they have a plan to get it done!
