Myron Tannenbaum  
Lee Wexler  
Mary Shiffer

### **Recommendation:**

- 1) Maintain the current rate and time for parking in the parking lots and on-street.
- 2) Increase the meter rate on Mamaroneck Avenue to \$1/hour (15 minutes for \$0.25).
- 3) Increase the meter time on Mamaroneck Avenue to 8pm.
- 4) It was discussed that by maintaining the existing lower rates and times in the parking lots, more parkers will be encouraged to use these areas so that better turnover is maintained on Mamaroneck Avenue.
- 5) It was discussed that having two different enforcement times (8am to 6 pm and 8am to 8pm) will require additional signage and require additional enforcement.
