

Thank you for taking the time to help Aaron by writing a letter to President Trump

You can type the letter if you want, but handwriting is better. Every letter is read and responded to so a handwritten letter gets more attention. Emails are a waste of time for the most part if you want to make any kind of an impression.

Simply write that you are asking President Trump to pardon Aaron Sandusky. Write he was following state law that allowed marijuana distribution to medical marijuana patients and he has already suffered enough. That would be sufficient but feel free to add anything else you want. Include your name and address especially if you want a reply.

Then put the letter in an envelope addressed to:

President Donald Trump
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Don't forget to put a stamp on it and please take an extra moment and send an email to lanny@marijuananeews.org that you sent it. Let me know if you get a reply and what the reply says. Thanks for taking the time to do this for Aaron.
