

Marijuana Anti-Prohibition Project presents

**CANNABIS &
SPIRITUAL
PRACTICE**

Reverend Terry Turner
Minister of Religious Science
Consciousness Studies M.A.
Theology B.A.

The states of consciousness available through cannabis use can be even deeper than those achieved by seasoned meditators without the years of discipline and training. Used reverentially and with proper intention, it is capable of ushering its initiates into the realm of savikalpa samadhi, the portal of mystical or unitive consciousness.

Saturday, February 1 - two presentations

—————→ **12 noon - Palm Springs**

Crystal Fantasy, 268 N. Palm Canyon

—————→ **3 p.m. Joshua Tree**

Beatnik Café, 61597 Twenty-Nine Palms Hwy
