

## **MacArthur Wright, Candidate for Twentynine Palms City Council, District 5**

*What is your vision of the role of rural character in your community as it relates to progress and economic well-being, and how might you attain that vision as a Council member?*

As a retired Marine veteran, my family and I are blessed to call Twentynine Palms our permanent home. It has been a pleasure and a distinct privilege to serve on the City Council for the past 4 years, in addition to serving as this year's Mayor for our magnificent City.

My vision is for Twentynine Palms to maintain our very robust liaisons with MCAGCC Twentynine Palms, surrounding communities and officials. I will strive to bring County and State resources to Twentynine Palms, while continuing to develop and grow our infrastructure. I will work to assist the veteran population with much needed resources. It is imperative to me that Twentynine Palms is a safe and thriving community where people will want to call home. Together we can make this happen.

Our City is truly "a hidden gem in the desert" and it is my intent to protect and give the citizens of Twentynine Palms a voice. I have full confidence in my ability to represent and convey the respect of our citizens. It is the people that make our City so great.
