*Proceeds benefit the JTNP/JBWD Native Plant Wildcrafting Program*

**NOTE:** Event requires social distancing and health masks while on the premises (by State mandate)

## OFFERING:

- Cat's Tongue
- Woolly brickellia
- Desert Willow
- Acton's encelia
- Galleta Grass
- Bladderpod
- Paperbag bush
- Catclaw acacia
- Joshua Tree
- Desert needlegrass
- Mojave aster
- Mojave yucca
- Jojoba + More!

**Add some color to your landscape with true local native plant seedlings.**

**Once established, native plants offer low-water use, natural defenses against wildlife and pests, while providing food and shelter for local animals.**

**Native plants are also heat and cold resistant and tolerate our poor soil.**

1. Additionally, a free seed and plant swap booth will be offered (please only bring healthy specimens). Offerings are available to all at no cost with or without contributions.
2. Also, take a walk on the wild side – wildcrafting, that is, and discover the 12 steps to growing your own native plants!
3. Want to learn the tips and tricks of Wildcrafting? Early sign-ups for our May course (4 classes) will be available at the plant sale, as well.
