

Spring 2021 Desert Wildcrafting

Join us and learn along the way!

A four-part training seminar—FREE!

PART ONE:

***Seed Harvesting Overview: A Classroom & Garden Encounter**
Friday May 7, 2021 9:00AM-11:00AM, Joshua Basin Water District Office

61750 Chollita Road, Joshua Tree

*Learn to identify “viable” seeds to be harvested, wild crafting harvesting tips, storing of seeds, seasons to collect various seeds in the Morongo Basin, and more! *This first class is a pre requisite for Part Two.*

PART TWO:

***Seed Harvesting Field Excursion & Invasive Plant I.D Certification Class:**
Friday, May 14, 2021, 7:00 AM-8:30AM (field) & 9 AM-10AM (Classroom)

**Participants are to first meet at the Water District Office parking lot prior to departure. Seeds collected are used for the JBWD/JTNP Native Plant Sale program.*

REMEMBER TO:

- ✓ Bring your water bottle
- ✓ Bring a hat or wear sunscreen (or both!)
- ✓ Bring garden gloves
- ✓ Bring sunglasses
- ✓ Wear sturdy shoes (no sandals!)

PART THREE:

***Seed Cleaning & Propagation Session (Classroom)**
May 21, 2021, 9 AM-11:00AM, Joshua Basin Water District Office

Learn hacks to speed up nature’s process for propagation while cleaning and sorting seeds for cultivation. Seeds cleaned during this session will be forwarded to the JTNP Nursery for propagation.

PART FOUR:

(NOTE: Participants must have attended at least one of the sessions above to participate in this tour)

JTNP Private Nursery Tour: Friday, May 28, 2021, 9AM-11AM JTNP Nursery (at their Visitor Center), 29 Palms, CA. See techniques that are being used by the pros!

Class size is limited. For more information or to RSVP your participation, contact Kathleen Radnich at: kjradnich@jbwd.com, or by calling 760.821.5716.

Registration is required on or before April 30, 2021

Sponsored by the Joshua Basin Water District and the Joshua Tree National Park.
