

# NANCY PINKIN

CANDIDATE FOR COUNTY CLERK

Nancy J. Pinkin is a four-term New Jersey State Assemblywoman, representing Legislative District 18, which includes East Brunswick, Edison, Helmetta, Highland Park, Metuchen, South Plainfield and South River.

She serves on the Legislative Select Oversight Committee, the Advisory Council on HIV/AIDS and Related Blood-Borne Pathogens, the National Council of State Governments Eastern Regional Conference Energy and Environment Committee, National Council

of State Governments Opioid Policy Fellow, the Disparity in State Procurement Study Commission, and the Council of State Governments Healthy States National Task Force.

Assemblywoman Pinkin was the primary sponsor of recently enacted laws to curb the use of isolated confinement in correctional facilities and a measure to provide better access to palliative care services for those with terminal illnesses. She worked to provide domestic violence awareness training for municipal court judges and ensure easy access to services for victims of sexual assault on college campuses. Additionally, she advanced measures to expand protections for maternal health and newborn infants and advocated for accountability and funding for lead remediation and other environmental justice issues.

She is Chair of the Assembly Environment & Solid Waste Committee, and serves on the Assembly Health Committee, and Law & Public Safety Committee. She also is president of Pinkin Associates, Inc., a health consultant and association management firm in East Brunswick. She was a two-term president and member of the planning board of the East Brunswick Township Council and served on the Legislative and Emergency Services Committees of the New Jersey League of Municipalities.

She's received numerous awards including New Jersey Hospital Association Legislator of the Year; first ever American Cancer Society Distinguished Advocacy Award; a NJ Democratic State Committee Women Legislators Award; a NJ League

of Municipalities Outstanding Women in Government Award; a NJ Primary Care Association Award for significant contributions to Women's Health; a South Asian Community Outreach Leadership and Service Award; Brain Injury Association's James and Sarah Brady Award for Public Service; and the 2019 Sierra Club Award, the "Congressman Dean A. Gallo Memorial Award for Distinguished Legislative Leadership".

Her and husband, Dr. James Salwitz, are the proud parents of two children, Dr. Kimberly Salwitz, and Gregory Salwitz, and two grandchildren.
