

# Owner Volunteer JOB DESCRIPTION

**Post Date:** March 26, 2021

**Posted by:** Outreach Committee

**Volunteer Job Title:** Mobile App Developer

**Time Commitment:** 2-5 hours / week - as your time permits.

**Length of Job:** ends when app development is complete

## Position Overview

*The Food Shed Co-op is looking for an owner-member to build an app designed to provide additional value for owner-members and the community at large. The app will include a digital membership card and other information useful to owner members. The App will serve as the engine to drive a Cross Promotional Business Program between the co-op and local businesses that share similar values with the co-op.*

## Responsibilities

- *Leverage your skills and experience as a developer of apps for smartphones and other mobile devices.*
- *Train one or more co-op owners how to maintain the app on an ongoing basis*

## Preferred Skills/Abilities (any or all)

- *App developer with experience*

**Available Budget:** *to be determined*

**Other expectations:** *Every volunteer is required to read and sign a volunteer agreement committing to our code of conduct and confidentiality to protect our owner-members.*
