

Homeless Veteran Resource Providers Summit- a Networking Series

**It is our great pleasure to announce there is a community of providers
beside you.**

For several years many of our local Veteran homeless service agencies have been meeting with each other to navigate resources, build a network of partnerships, and seek solutions to issues affecting us all.

We ask you to consider the following question.

**When providing housing services and/or conducting assessments are you asking
your clients if they are veterans?**

If they say “yes” what do you do next?

We would love to hear your answer and share ours.

This event will take place in Denver on 02/05/2019. This will be an all-day event focusing on the Denver Metro area; hopes to expand at future events.

Please reply to me if you are interested in attending and/or presenting your agency's information at this event. I would like to hear from you by 10/01/2018.
