## SAFE HAVEN SHELTERING PROGRAM

The Safe Haven is an overnight shelter for homeless adults. Our capacity is 25 guests. Our guests are selected from an application and interview process. When a guest enters the program they will have a guaranteed bed for the season. We select guests based on the following criteria: 1) making a concerted effort to become self-sufficient, 2) peaceful by nature, 3) sobriety, 4) emotionally or physically vulnerable at a warming center, 5) helpful. Note that we are not able to support certain levels of physical or mental limitations. To apply fill out the [Safe Haven Application](#) and email to

During the core of winter, mid-Nov to mid-March, the shelter is open every night from 6:30pm-7am. In the fall and spring, the "shoulder seasons" we open based on weather conditions. Volunteers provide a dinner meal and the program supplies a light breakfast.

Opening Guidelines during the "shoulder seasons":

Our guidelines are as follows:

Overnight low forecast, 24 hrs prior, is 25F or lower, or more than 1 inch of snow then we will open.

In addition, if the daytime weather is dangerous we will open the shelter. The criteria is a forecast high of 25F or lower, or blizzard conditions, or 6" or more of snowfall forecast during the day.
