Over the past three months, the Flex Fund has seen an increase in submissions and people being served. During the 2nd Quarter of 2020, the Flex Fund program began providing prevention assistance and utilizing HMIS to track program data. This allowed for better coordination and support between organizations.

The Flex Fund program is administered by Metro Denver Homeless Initiative (MDHI) with the goal of alleviating immediate housing needs of eligible persons and families in the metro area.

The following organizations across the seven-county metro region have contributed resources through grants to The Flex Fund assistance:
- Archway Housing and Services Inc.,
- Aurora Mental Health Center,
- Arapahoe County Housing and Human Services,
