Intake: (303) 847-9072

Season Dates: October 21, 2019 to April 18, 2020

Cold Weather Care is a program dedicated to providing life-saving shelter and support to individuals and families experiencing homelessness in Adams County and neighboring communities. The program operates as a 30-day emergency shelter for single adults and families. While participating in the program, guests receive case management services to support them in reaching their goals. The primary goal of the program's participants is attaining self-sufficiency. Cold Weather Care volunteers and staff seek to provide physical, emotional and spiritual support for participants including providing for basic needs such as food, clothing and shelter.

It's important to know...

- Guests must pass a thorough background screening that includes passing a drug screen. Individuals with a violent crime on record or a crime against children will not be eligible to participate.
- Guests must have 30 days of sobriety.
- The shelter operates in a network of churches with a weekly rotation. Churches in the north metro area of Denver take turns hosting and every Sunday guests transition to a new church.
- The shelter is closed during the day. Guests leave no later than 7:00am and need to return between 6:00 and 6:30pm.
- The shelter is open continuously during the cold weather months. This season we are open **October 21, 2019 to April 18, 2020**.
- Breakfast, a sack lunch, and dinner are provided each day.
- Guests must meet for Case Management one time per week and must meet all Case Management goals each week in order to maintain program benefits.
- The shelter is safely locked for our guests between 10pm and 6am daily, unless otherwise arranged on a per-guest basis.
