### About us & LGBTIQ+[AI] training

We take pride in educating and sharing knowledge, creating a welcoming and inclusive community where there is respect for all people. Our reputation and the demand for this comprehensive and engaging education package is growing and both Meridian and A Gender Agenda are excited to be able to offer LGBTIQ+ [AI] training to organisations, schools and businesses across the ACT.

All sessions are delivered by our skilled and dynamic staff who bring a wealth of peer-based lived experience, professional experience, local knowledge and academic education. Our training methodology is a combination of presentation and discussion, incorporating multimedia, and practical activities. We have a 'no wrong question' policy to ensure all participants have an opportunity to fully involve themselves in their training experience. All training is provided in small groups of up to 25 participants and can be delivered face-to-face or online via Zoom or WebEx. Active and engaged participants leave with new skills, new insights and a wide range of valuable resources, tools and strategies.
