[Funke: Your Senate District is owed \$141 million in Foundation Aid.]

[Robach: Your Senate District is owed \$126 million in Foundation Aid.]

Your colleague, Senator Tedisco has a sign-on letter calling on fully funding the Foundation Aid Formula. If you truly support our public schools you should sign on to the letter. We need you need to make sure the Senate one house budget and the final enacted budget include a three year phase-in of the Foundation Aid owed to our schools.

Now more than ever we need you to help make equitable funding a reality.
