Freedom Fund: Courser and Gamrat Should Resign Immediately

Abuse of Constituents' Trust, Taxpayer Resources Makes Them Unfit to Serve

LANSING, MI, August 7, 2015 -- Michigan Freedom Fund President Terri Reid issued the following statement today following reports that State Reps. Todd Courser and Cindy Gamrat have been engaged in a massive effort to deceive their constituents using taxpayer dollars:

"Representatives Courser and Gamrat talk a lot about smaller government and personal responsibility but when push comes to shove, they refused to take responsibility for their own failings, and reportedly attempted to use taxpayer staff and resources to cover up personal mistakes.

"Courser and Gamrat should resign immediately so their constituents can move on and elect Representatives worthy of their trust as soon as possible."
