Supreme Court Rejects Left-Wing Scheme to Disenfranchise Millions of Michigan Voters

LANSING, MI, June 27, 2019 – The Michigan Freedom Fund today applauded the United States Supreme Court for their ruling which rejects a left-wing scheme to disenfranchise voters across Michigan.

“The Supreme Court today declared that Michigan voters and Michigan taxpayers come before liberal extremists and special interests,” said Tony Daunt, Executive Director of the Michigan Freedom Fund. “Secretary of State Jocelyn Benson has spent too many months and too many state resources pursuing bogus settlements in this rejected case, instead of keeping her badly broken campaign promises and branch-office wait time guarantees. After today’s rebuke by the Court, we encourage her to finally get to work on behalf of the Michigan motorists spending hours in line in branch offices across the state.”
