Michigan Freedom Fund Launches Ad Campaign Exposing Mark Schauer's Extremist Record

LANSING, MI, August 12, 2014 – The Michigan Freedom Fund today launched a statewide digital advertising campaign exposing Mark Schauer's record as a member of Congress and state legislator under former Governor Jennifer Granholm.

The ads inform voters about Schauer's votes to raise taxes over 140 times, his record of voting 96% of the time with President Barack Obama, and his history as what the Battle Creek Enquirer once dubbed "Jennifer Granholm's lapdog."

"Whether it was his votes for billions in tax hikes, his vote to create Obamacare or his willingness to violate campaign finance law to get ahead, mainstream Michiganders need to be educated on Mark Schauer's record," said Michigan Freedom Fund President Greg McNeilly.

Schauer's record includes:

- Voting to raise taxes and fees over 140 times;
- A 100% voting record with Big Labor;
- A 96% voting record with President Barack Obama;
- Voting to enact Obamacare—a vote Schauer said he was "proud" to cast;
- The largest fine in Michigan history for his campaign's egregious violation of campaign finance law; and more.

The digital campaign began running online today across Michigan and will continue in the days and weeks to come.

More information about Mark Schauer's record voting for tax hikes, walking in lockstep with President Obama, and advancing Jennifer Granholm's liberal agenda can be found online at <http://wecanttrustmarkschauer.com>.
