Freedom Fund: No Thanks to Biden, Schauer, This Labor Day, Michigan Workers among the Freest in the World

LANSING, MI, August 29, 2014 – Michigan Freedom Fund President Greg McNeilly issued the following statement today commemorating workplace freedom and equality this Labor Day and thanking Michigan workers for building a better Michigan.

“Michigan workers are the best in the world, and some of freest. This Labor Day, every Michigander can be incredibly proud of the workers in their lives as they continue building a better Michigan. Michigan can also be proud of the new freedoms workers enjoy to join—or not join—a union.”

“Countless workers have embraced that right since Michigan enacted Freedom to Work legislation in 2012, while Michigan’s economy continues to grow. Mark Schauer and Vice President Joe Biden should end their war on workers and stop attempting to strip Michiganders of the freedoms they enjoy.”

Michigan Freedom Fund is a nonprofit organization run by Michiganders for Michiganders, working to advance, promote, and protect Michigan workers’ Constitutional rights. It works to create educational initiatives, promote issue advocacy and support policies that advance freedom in the workplace and across the state.
