

Earn up to \$5,000

for your faith organization through our
House of Worship Rewards program.

Your faith organization has the opportunity to do even more good than it already does. By helping your congregation save energy, you can **earn up to \$5,000 in incentives** from Consumers Energy.

Earning Incentives Is Simple:

1. Host a one hour energy efficiency workshop sponsored by Consumers Energy.
2. Promote the benefits of home energy assessments and receive your unique promo code.
3. Earn up to \$5,000 based on the number of appointments scheduled in a 90-day period.

Incentives are based on number of appointments scheduled in a 90-day period, and participation in both our Home Energy Analysis and Helping Neighbors programs count toward your \$5,000 goal.

Who Is Eligible?

Faith organizations are eligible for the program if they've been recognized by the IRS as having 501(c)(3) status.
