

October 18 Meeting of the Michigan Oil and Gas Association

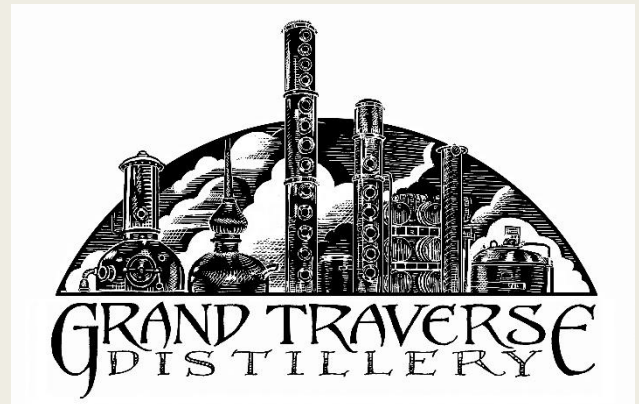

Featuring Kent Rabish, Founder of the Grand Traverse Distillery

Join us for fall fun, food, and spirits at the Sojourn Lakeside Resort. With 35 wooded acres, 20 rooms and suites, a great hall, private beach and more, Sojourn takes pride in helping its guests connect with nature, with the past and with one another. Nestled in the heart of Northern Michigan, the lakeside resort provides a perfect spot to take in the beautiful fall colors and enjoy a fun fall evening with members and guests.

The evening will feature guest speaker Kent Rabish, founder of the Grand Traverse Distillery, who brings with him not only a wealth of knowledge in artisan distilling, but a truck load of locally produced bourbon whiskey and other fine spirits. Taste "Pure Michigan" at its finest with true craft distilling, down to the grain.

Casual attire is encouraged for this social gathering. Tables will be set up both inside and out and fires will be roaring, weather permitting.
