The **MICHIGAN NATURAL RESOURCES TRUST FUND** was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the *public acquisition of land for resource protection and public outdoor recreation*.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to *protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources*.

To date, the MNRTF has *awarded over $1.1 billion* in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under *2,500 MNRTF-assisted projects since 1976*. 
Alcona County has received $644,100 in Michigan Natural Resources Trust Fund (MNRTF) grants for 5 active or completed projects.

**WEESAW TOWNSHIP**
- Weesaw Township Park Acquisition: $98,000
The MICHIGAN NATURAL RESOURCES TRUST FUND was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Branch County has received $3,083,600 in Michigan Natural Resources Trust Fund (MNRTF) grants for 8 active or completed projects.

The MICHIGAN NATURAL RESOURCES TRUST FUND was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Emmet County has received $18,354,350 in Michigan Natural Resources Trust Fund (MNRTF) grants for 33 active or completed projects. *Legislative approval is currently pending for two recommended projects.

The Michigan Natural Resources Trust Fund was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Keweenaw County has received $22,115,977 in Michigan Natural Resources Trust Fund (MNRTF) grants for 21 active or completed projects. *Legislative approval is currently pending for one recommended project.

Keweenaw County Active, Completed and Recommended MNRTF projects

**VILLAGE OF ONEKAMA**
- Onekama Village Park Development: $97,300
The MICHIGAN NATURAL RESOURCES TRUST FUND was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Marquette County has received $12,698,485 in Michigan Natural Resources Trust Fund (MNRTF) grants for 59 active or completed projects. *Legislative approval is currently pending for two recommended projects.

Marquette County Active, Completed and Recommended MNRTF projects

• Pine Creek Trail Development: $335,775
The MICHIGAN NATURAL RESOURCES TRUST FUND was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Presque Isle County has received $4,581,700 in Michigan Natural Resources Trust Fund (MNRTF) grants for 14 active or completed projects. *Legislative approval is currently pending for one recommended project.

The MICHIGAN NATURAL RESOURCES TRUST FUND was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Wayne County has received $78,440,418 in Michigan Natural Resources Trust Fund (MNRTF) grants for 99 active or completed projects. *Legislative approval is currently pending for five recommended projects.

### Wayne County Active, Completed and Recommended MNRTF projects

#### BELLEVILLE
- Horizon Park Improvements: $120,700
- Horizon Park Development: $92,300

#### BROWNSTOWN TOWNSHIP
- Brownstown Acres Conserv.: $93,000
- Brownstown Acres: $48,000
- Huron River Boat Launch: $228,400

#### CANTON TOWNSHIP
- Lower Rouge River Trail Bridges: $350,000
- Heritage Park Expansion (formerly Canton Recreation Complex): $50,000
- Heritage Park Dev. (formerly Canton Recreation Center): $195,000
- Beatrice L. Coleman Trust Land Acquisition: $1,235,500

#### DEARBORN
- Camp Dearborn Non-Motorized Trail Dev.: $268,900
- Rouge River Gateway Trail Extension: $280,000
- Dearborn Herndon Golf Course: $300,000
- Lower Rouge River Access and Revitalization Project: $98,300

#### DETROIT
- Belle Isle Improvements: $322,000
- In Town Youth Camp at Rouge Park: $407,000
- Dequindre Cut Greenway Imp.: $393,000
- Butzel Playfield Improvements: $500,000
- Butzel Playfield Renovation: $500,000
- Patton Park Improvements: $500,000
- Balduck Park In-Town Youth Camp: $500,000
- Dequindre Cut North Acquisition: $375,000
- Jayne-Lasky Playfield Improvements: $300,000
- Lipke Playfield Improvements: $300,000
- Inner Circle Greenway – Conrail Acquisition: $3,431,300
- Coleman Young Playground Improvements: $300,000
- *Romanowski Park Renovation: $300,000
- Marina City Land Acquisition: $550,000
- St. Aubin Park: $1,500,000
- St. Aubin Marina: $400,000
- Mt. Elliott Park: $375,000
- Lake Frances: $375,000
- Mt. Elliott–Phase II: $375,000
- Belle Isle Canal Restoration: $375,000
- Belle Isle Canals-Phase II: $375,000
- Riverside Park Seawall/Promenade: $500,000
- Rouge Park Sorenson Renovation: $300,000
- Rouge Park–Brennan Pool Splash Pad: $299,000
- Chandler Park Improvement: $299,000

#### DNR – EDUCATION & OUTREACH
- DNR State Fair Exhibit Development: $500,000
- State Fair Land Acquisition: $195,000

#### DNR – FISHERIES DIVISION
- Belle Isle Lake: $350,000
- Belle Isle Lake Pier: $200,000

#### DNR – PARKS & RECREATION DIVISION
- Tricentennial State Park and Harbor: $500,000
- William G. Milliken State Park and Harbor East Riverwalk: $450,000
- Milliken State Park Acquisition: $20,000,000
- Belle Isle Natural Resource Improvements: $300,000
- Showcase Trail Critical Gaps: $2,000,000
- Belle Isle Lake Okonoka Picnic Area Development: $300,000
- Belle Isle–Scott Memorial Fountain Accessibility Project: $300,000
- Belle Isle Oxbow Shoreline Fishing Area Accessibility: $300,000
- *Belle Isle Park–Picnic Shelter Replacement: $300,000
- *West Riverfront Park Trail Connection: $3,000,000

#### DNR – STATE FAIR
- Michigan Exposition & Fairground: $1,200,000
- Fairgrounds Exp Ph. III: $1,000,000
- Michigan Exposition & Fairground Expansion: $900,000
DNR–WILDLIFE DIVISION
• Sibley Road Prairie: $415,800
• Stony Island Natural Area: $700,000

DNRE–RECREATION DIVISION
• Globe Building Adventure and Discovery Center Acquisition: $9,000,000
• Detroit Riverfront Easements and Acquisitions: $5,000,000

ECORSE
• Ecorse Creek Greenway and Park Development: $415,000

FLAT ROCK
• Flat Rock-Oakwood Metro Park Connector: $447,900
• Hu Roc Park Improvements: $105,750
• Hu Roc Park Improvements: $181,400

GROSSE ILE TOWNSHIP
• Frenchman’s Creek Greenway and Preserve: $100,000

HURON-CLINTON METROPOLITAN AUTHORITY
• Lower Huron Metropark Fishing Access Boardwalks: $180,000
• Lake Erie Metropark Shoreline Trail-Phase 2: $375,000
• Lake Erie Metropark Marina Point Fishing Site: $180,000

INKSTER
• Inkster Park Greenway Trail: $408,000
• Inkster Greenway Trail: $192,500

LINCOLN PARK
• Lincoln Park Recreation: $385,000

MELVINDALE
• Riverside Acquisition: $8,000
• Riverside Land Acquisition: $35,000

NORTHVILLE
• Griswold Land Acquisition: $150,000

NORTHVILLE TOWNSHIP
• Coldwater Springs Nature Area-Linear Park: $303,800
• Linear Park Acquisition: $4,000,000
• Linear Park Acquisition—Phase II: $3,053,700

REDFORD TOWNSHIP
• Bell Creek Park Non-Motorized Trailway: $450,000
• Kraft Park Multi-Sports Complex Renovation: $50,000
• Glenhurst Golf Course: $600,000

RIVER ROUGE
• Belanger Park Redevelopment: $375,000

SOUTHGATE
• Market Center Park—Pavilion Imp.: $49,500
• Kiwanis Park: $25,350
• Southgate Nature Center: $525,000

TAYLOR
• Northline Road Land Acquisition: $66,000
• Heritage Park-Phase II: $60,000
• Sheridan Heritage Park: $70,000
• Municipal Golf Course: $30,000
• Northline Acquisition: $66,800
• Community Center Park/Pardee Acquisition: $237,718
• Southwest Corner Acquisition: $1,500,000

TRENTON
• Rotary Park Improvements: $75,000
• Trenton Linked Riverfront Parks Imp.: $332,800

VAN BUREN TOWNSHIP
• *Van Buren Twp. Iron Belle Trail / Belleville—Heritage Park: $300,000

WAYNE
• Goudy Park Dev. Project: $253,000

WAYNE COUNTY
• Elizabeth Park Riverwalk: $400,000
• Refuge Gateway Boat Dock/Fishing Pier: $500,000
• Elizabeth Park Greenway and Shoreline: $300,000
• Ellsworth Boardwalk & Trailhead Parking: $200,000
• Hines Park-Ann Arbor Trail Connector: $300,000
• *Venoy Dorsey Park Canoe and Kayak Launch Development: $300,000
• Holliday Preserve Add.: $360,000
• Elizabeth Park Riverwalk: $375,000

WYANDOTTE
• Wyandotte Boat Ramp Extension: $80,000
• Wyandotte Boat Launch: $116,000
The
MICHIGAN NATURAL RESOURCES TRUST FUND
was established under the Kammer Recreational Land Trust Fund Act of 1976 to provide a permanent funding source for the public acquisition of land for resource protection and public outdoor recreation.

Funding is provided by revenue derived from royalties on the sale and lease of state-owned oil, gas and mineral rights.

This landmark piece of legislation came to fruition thanks to the collaborative efforts of the Michigan Oil and Gas Association, Michigan United Conservation Clubs and state legislators on behalf of all Michigan citizens.

The MNRTF has contributed immeasurably to protecting our state’s natural beauty and helped paved the way for wise and prudent development of our state’s abundant energy resources.

To date, the MNRTF has awarded over $1.1 billion in grants to Michigan’s state and local parks, waterways, trails and nature preserves throughout all 83 counties.

Of this total, $245 million has been invested in trails. In excess of 1,000 public parks have been acquired and/or developed. Other projects funded include ball fields, tennis courts, trailheads, restrooms and other amenities, for a total of just under 2,500 MNRTF-assisted projects since 1976.
Wexford County has **received $3,543,900** in Michigan Natural Resources Trust Fund (MNRTF) grants for 12 active or completed projects.
