

ADVANCED WORKING INTEREST AND NET REVENUE INTEREST CALCULATION WORKSHOP

AUGUST 27, 2019 | MT. PLEASANT, MI
SPEAKER | DOUGLAS M. POTTER, CPL

The concepts presented in this workshop build upon the foundational material found in the Working Interest and Net Revenue Calculation Workshop. Any Land Professional choosing to participate in Complex Calculations For Land Professionals without being proficient in the foundational materials may not comprehend the concepts, procedures and “Tricks-of-the-Trade” presented in this workshop. This workshop teaches advanced skills for Working Interest [WI] and Net Revenue Interest [NRI] calculations. Instruction is limited to NRI and WI calculations which may be found in leases, assignments, operating agreements and associated documents.

Accredited for 6 continuing education credits.
