

SURFACE USE & ACCESS SEMINAR

SPEAKER | ROB SHULTZ, CPL

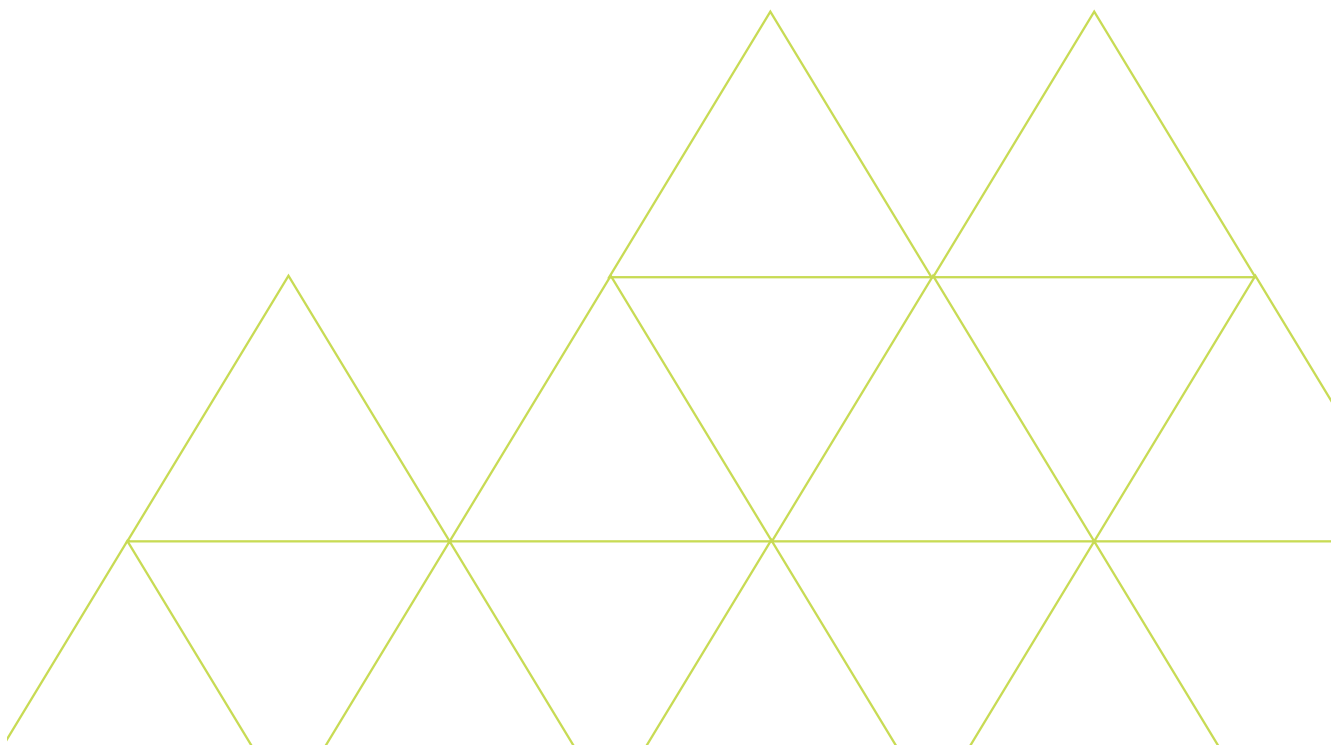

MARCH 24, 2020 | TRAVERSE CITY, MI

Surface Use and Access is designed to familiarize Land professionals with surface rights and the myriad issues associated with acquiring, exercising and preserving those rights. It focuses on why, when and what rights may be needed, and how to research and protect existing rights. It discusses a variety of surface-related contracts and their use. There is commentary on easement valuation, damage claim investigation and resolution, and the challenges of governmental permitting. Finally, it examines the criticality of building relationships with regulatory agencies and the public.

Accredited for 6 continuing education credits, *including 1* ethics.
