Upload a photo/headshot of the Candidate (optional)	B733178E-7940-4A95-8220-FD8C3AE6BE69.jpeg
Do you support setting a goal for Michigan to transition to 100% renewable electricity by 2050?	Yes
Do you support setting a goal for Michigan to be carbon-neutral by 2050?	Yes
You may elaborate on your position here:	I support and stand transitioning to Green Economy to reduce our impact and create sustainable communities
Would you support state general funds or other state funding being directed to programs that support communities and workers most impacted by the climate crisis and the transition to renewables, including programs to retrain workers displaced by the transition off fossil fuels?	Yes
You may elaborate on your position here:	Black and Brown communities has been displaced and forgotten for years and renewable implementations can create economic opportunities and enhance the quality of living for families.
Do you support the decommissioning of the Line 5 oil pipeline in the Straits of Mackinac?	Yes
Do you oppose the building of a Line 5 oil tunnel under the Great Lakes bottomlands?	Yes
You may elaborate on your position here:	Line 5 has expired its life span almost 20 years ago, must stop situation like this that can contaminate our entire access to fresh water. Line 5 must be decommissioned and renewable alternatives must be options to ensure our future.
Do you support lifting the cap on net metering to allow more residents and businesses to participate?	Yes

Form Summary

Do you support returning to net metering, and providing a fairer price to businesses and residents for the solar energy they generate?	Yes
You may elaborate on your position here:	Renewable energy must be available to those who struggle the most to pay for Utilities services to keep their families warm or cool. Fair access to net metering also allow small businesses to thrive with lower overhead cost.
Do you support policy that requires utilities to allow customers to build community renewable energy projects with fair rates?	Yes
You may elaborate on your position here:	I totally agree communities should have the capacity to build renewable projects with fair rates for an equitable practices.
Do you support policies to accelerate the adoption of electric vehicles (EVs), including EV infrastructure like charging stations?	Yes
Do you support policies and investments of state funds to help local communities and schools switch to electric transit and school buses?	Yes
Do you support policies and investing state funding to increase non-motorized transportation (like walking and biking) in Michigan communities, and to increase access to public transportation?	Yes
You may elaborate on your position here:	I support all polices to support students obtaining access to resources and investing in our future to ensure they compete at a Global level.
Have you signed the No Fossil Fuel Money Pledge?	Yes
You may elaborate on your position here:	I support clean energy and the stop of fossil fuel which is impacting our planet negatively!
LAST THING BEFORE YOU GO: Would like to sign up to receive email from Michigan Climate Action Network? We will keep you updated on news about the climate in Michigan, share actions you can take to move the needle, and occasional emails about events to attend.	Yes, Please
