Form Summary

You may elaborate on your position here:

Do you support policy that requires utilities to allow customers to build community renewable energy projects with fair rates?

Yes

You may elaborate on your position here:

Do you support policies to accelerate the adoption of electric vehicles (EVs), including EV infrastructure like charging stations?

Yes

Do you support policies and investments of state funds to help local communities and schools switch to electric transit and school buses?

Yes

Do you support policies and investing state funding to increase non-motorized transportation (like walking and biking) in Michigan communities, and to increase access to public transportation?

Yes

You may elaborate on your position here:

Have you signed the No Fossil Fuel Money Pledge?

No

You may elaborate on your position here:

I haven't signed it, but that's only because I haven't been aware of such a pledge until now. My campaign won't be taking money from any organization whose values contradict my own. I believe the future of energy should be in renewables, so we won't be taking any contributions from fossil fuel industries, should they offer.

LAST THING BEFORE YOU GO: Would like to sign up to receive email from Michigan Climate Action Network? We will keep you updated on news about the climate in Michigan, share actions you can take to move the needle, and occasional emails about events to attend.

No, Thanks
