<b>Do you support setting a goal for Michigan to transition to 100% renewable electricity by 2050?</b>	Yes
<b>Do you support setting a goal for Michigan to be carbon-neutral by 2050?</b>	Yes
<b>You may elaborate on your position here:</b>	Climate Change and Energy are the greatest threats to the sustainability of life on this Planet. We must do everything to achieve 100% Renewable Energy and Carbon Neutrality.
<b>Would you support state general funds or other state funding being directed to programs that support communities and workers most impacted by the climate crisis and the transition to renewables, including programs to retrain workers displaced by the transition off fossil fuels?</b>	Yes
<b>You may elaborate on your position here:</b>	The industries that transitioning will create numerous jobs.
<b>Do you support the decommissioning of the Line 5 oil pipeline in the Straits of Mackinac?</b>	Yes
<b>Do you oppose the building of a Line 5 oil tunnel under the Great Lakes bottomlands?</b>	Yes
<b>You may elaborate on your position here:</b>	The Line 5 pipeline has been problematic for years. Giving the owners permission to build a tunnel and continue to operate is a disaster waiting to happen.
<b>Do you support lifting the cap on net metering to allow more residents and businesses to participate?</b>	Yes

## Form Summary

**Do you support returning to net metering, and providing a fairer price to businesses and residents for the solar energy they generate?**

Yes

**You may elaborate on your position here:**

There is no downside to lifting the caps and allowing net metering. Wind and solar energy helps the environment and creates industries, which increases jobs.

**Do you support policy that requires utilities to allow customers to build community renewable energy projects with fair rates?**

Yes

**You may elaborate on your position here:**

**Do you support policies to accelerate the adoption of electric vehicles (EVs), including EV infrastructure like charging stations?**

Yes

**Do you support policies and investments of state funds to help local communities and schools switch to electric transit and school buses?**

Yes

**Do you support policies and investing state funding to increase non-motorized transportation (like walking and biking) in Michigan communities, and to increase access to public transportation?**

Yes

**You may elaborate on your position here:**

Communities with easy access to public transportation create pathways for poor and low income areas to climb out of poverty by giving people access to better paying jobs.

Promoting non motorized means of travel, also promotes healthier residents both physically and mentally, as well as cutting carbon emissions. T

**Have you signed the No Fossil Fuel Money Pledge?**

No

**You may elaborate on your position here:**

I have not been given the opportunity to sign the pledge.

**LAST THING BEFORE YOU GO: Would like to sign up to receive email from Michigan Climate Action Network? We will keep you updated on news about the climate in Michigan, share actions you can take to move the needle, and occasional emails about events to attend.**
