Do you support setting a goal for Michigan to transition to 100% renewable electricity by 2050? Yes

Do you support setting a goal for Michigan to be carbon-neutral by 2050? Yes

You may elaborate on your position here: In 2015 under my leadership as Chair, the Washtenaw County Board passed a Clean Energy Program to include larger energy projects in PACE. In 2018, I voted for resolutions in support of the Energy Freedom Bill Package, and to uphold our sustainable purchasing policies. In 2019 I voted for a resolution in support of the Paris Accord and to commit Washtenaw County to stay in compliance with it. I believe we must take bold steps to create a just transition to a green economy and the core of that is increasing our renewable energy capacity and reducing our carbon footprint.

Would you support state general funds or other state funding being directed to programs that support communities and workers most impacted by the climate crisis and the transition to renewables, including programs to retrain workers displaced by the transition off fossil fuels? Yes

You may elaborate on your position here:

Do you support the decommissioning of the Line 5 oil pipeline in the Straits of Mackinac? Yes

Do you oppose the building of a Line 5 oil tunnel under the Great Lakes bottomlands? Yes

Do you support lifting the cap on net metering to allow more residents and businesses to participate?

No

Do you support returning to net metering, and providing a fairer price to businesses and residents for the solar energy they generate?

Yes

You may elaborate on your position here:

I support solutions that encourage the most movement to renewable energy as possible in partnership with environmental groups, labor unions, utilities, and residents. We must all work together to reduce our carbon footprint and have a just transition to a green economy.

Do you support policy that requires utilities to allow customers to build community renewable energy projects with fair rates?

Yes

You may elaborate on your position here:

Do you support policies to accelerate the adoption of electric vehicles (EVs), including EV infrastructure like charging stations?

Yes

Do you support policies and investments of state funds to help local communities and schools switch to electric transit and school buses?

Yes

Do you support policies and investing state funding to increase non-motorized transportation (like walking and biking) in Michigan communities, and to increase access to public transportation?

Yes

You may elaborate on your position here:

Have you signed the No Fossil Fuel Money Pledge?

No

You may elaborate on your position here:

Our team made the intentional decision at the very beginning of the campaign NOT to accept any contributions from corporate PACs. This includes contributions from oil and gas companies.
