Do you support setting a goal for Michigan to transition to 100% renewable electricity by 2050?	Yes
Do you support setting a goal for Michigan to be carbon-neutral by 2050?	Yes
You may elaborate on your position here:	I see the daily contributions: 3 power plants near by, barely any green spaces, no parks in the neighborhood to contribute to clean air. I 100% support 100% renewable energy by 2050 and carbon-neutral and will do everything in my power as a future state representative to fight for both! And to fight for our earth by focusing on clean /safe air initiatives in my district.
Would you support state general funds or other state funding being directed to programs that support communities and workers most impacted by the climate crisis and the transition to renewables, including programs to retrain workers displaced by the transition off fossil fuels?	Yes
You may elaborate on your position here:	My family ws impacted by the closing of auto plants in Michigan. I know the devastation a family goes through amongst suffering from job loss.
Do you support the decommissioning of the Line 5 oil pipeline in the Straits of Mackinac?	No
Do you oppose the building of a Line 5 oil tunnel under the Great Lakes bottomlands?	Yes
You may elaborate on your position here:	
Do you support lifting the cap on net metering to allow more residents and businesses to participate?	Yes
