Do you support setting a goal for Michigan to transition to 100% renewable electricity by 2050?	Yes
Do you support setting a goal for Michigan to be carbon-neutral by 2050?	Yes
You may elaborate on your position here:	
Would you support state general funds or other state funding being directed to programs that support communities and workers most impacted by the climate crisis and the transition to renewables, including programs to retrain workers displaced by the transition off fossil fuels?	Yes
You may elaborate on your position here:	I support workforce development, and believe we should prioritize jobs for a new economy based on renewable energy.
Do you support the decommissioning of the Line 5 oil pipeline in the Straits of Mackinac?	Yes
Do you oppose the building of a Line 5 oil tunnel under the Great Lakes bottomlands?	No
You may elaborate on your position here:	If it can be done safely, as a bridge to the goals to reach 100% carbon free by 2050. I believe it is safer than our current situation, and the UP is not in a position to go without it yet. I also believe transporting over land is equally or more dangerous.
Do you support lifting the cap on net metering to allow more residents and businesses to participate?	No

Form Summary

Do you support returning to net metering, and providing a fairer price to businesses and residents for the solar energy they generate?	No
You may elaborate on your position here:	Again, I support the concept, but I believe we need a greater investment in our infrastructure to make the system work for everyone.
Do you support policy that requires utilities to allow customers to build community renewable energy projects with fair rates?	Yes
You may elaborate on your position here:	
Do you support policies to accelerate the adoption of electric vehicles (EVs), including EV infrastructure like charging stations?	Yes
Do you support policies and investments of state funds to help local communities and schools switch to electric transit and school buses?	Yes
Do you support policies and investing state funding to increase non-motorized transportation (like walking and biking) in Michigan communities, and to increase access to public transportation?	Yes
You may elaborate on your position here:	
Have you signed the No Fossil Fuel Money Pledge?	No
You may elaborate on your position here:	I will not accept money from fossil fuels, but I do not sign pledges.
LAST THING BEFORE YOU GO: Would like to sign up to receive email from Michigan Climate Action Network? We will keep you updated on news about the climate in Michigan, share actions you can take to move the needle, and occasional emails about events to attend.	Yes, Please
