RONALD REAGAN REPUBLICAN CLUB 22ND ANNUAL GIPPER AWARDS

Dear Ronald Reagan Republican Club Friend:

The Gipper Awards have long honored those who demonstrate outstanding character, integrity and communication skills like our namesake Ronald Reagan. This year we are proud to announce our Gipper Award Recipient is Suffolk County Republican Chairman Jesse Garcia.

In April 2019, Jesse Garcia was unanimously elected as Chairman of the Suffolk County Republican Party. Since that time he has been able to apply his talents and hard work to enlist highly qualified people throughout Suffolk County to run for office as Republican candidates and thereafter, to help them get elected. The Suffolk County Legislature has in recent years seen an increase in Republican Representation leading to the possibility of one day soon having a Republican majority in the County Legislature.

Despite unprecedented and historic challenges in 2020 — including “no verification” paper ballots and being outspent 4–1 by the New York Democratic machine—Suffolk Republicans have secured a string of impressive victories due to Jesse Garcia’s leadership. He has proven he is well deserving of this year’s Gipper Award.

Additionally, Thomas M. McNally was recently elected as the Huntington Republican Committee Chairman. He has served as a dedicated member of the Huntington Republican Committee since 2009. Tom McNally has further served on the Executive Committee since 2012 and on the Law Committee since 2010.

Under his leadership, the Huntington Republican Committee is now implementing a new strategic vision. Working with the Suffolk County Republican Party, Thomas McNally is currently incorporating new technology, inclusive of data tracking platforms and expanded social media, to reach the voters in the community. Thomas McNally is a clear choice for this year’s recipient of the Ronald Reagan Republican Club Outstanding Achievement Award.

Sincerely,

Janet Smitelli, President

Jesse Garcia
