Dear Friends,

I hope you had an enjoyable holiday season and are well on your way to fulfilling your New Year's resolutions. I was grateful to have been able to spend my time with friends and family and, thankfully, so far the weather has been much more tolerable compared to last year.

Progress is being made on numerous road projects in the 9th District and my redistricting reform proposal is making its way through the County Board's committee structure in a positive manner. As the Board is preparing to go part-time after the spring election, I am working to set up a procedure that will allow my office to continue to serve you in the manner to which you are accustomed.

Supervisor Taylor, along with Supervisor Mayo, Chairman Lipscomb and Sheriff Clarke, at the Sheriff's Deputy Graduation ceremony.

I encourage you to contact me with any ideas or concerns regarding Milwaukee County that you may have. It is very important for me to hear your input and advice. As I have said in the past and will say again, it is an honor to serve you and, together with your help, I am certain that we can *Move Milwaukee County Forward*.

All My Best,

SHERIFF'S DEPUTIES GRADUATION

Earlier this month, Supervisor Taylor attended Milwaukee County's first deputy sheriff graduation ceremony held since 2003. The 27 members of Deputy Class #80 began their six-month, 760 hour training program in July and are now ready to accept the responsibilities associated with being a Sheriff's Deputy in Milwaukee County. During the May 2015 County Board meeting, Supervisor Taylor voted to allow Sheriff David Clarke to hire up to 30 new deputies for the first time in over a decade. The resolution passed, 16-2. County Executive Chris Abele vetoed this resolution. Supervisor Taylor, along with 17 other supervisors, voted to override the veto, reinforcing his commitment to public safety and lessening the Sheriff's Department's costly overtime burden. Congratulations to the Department's 27 newest deputies!

GIRL SCOUTS VISIT THE COURTHOUSE

Girl Scout Troop 9145 from Meadowview Elementary School in Oak Creek visited the Milwaukee County Courthouse earlier this month. This hands-on introduction to local government gave the troop the opportunity to tour the Courthouse, including the Board offices and meeting chamber. They also met a number of supervisors and Board staff members and saw first-hand the day-to-day functions of the County's legislative branch. Thanks to the parents, troop leaders and Girl Scouts of Troop 9145 for an educational, fun-filled day at the Courthouse!

LEGISLATIVE ROUNDUP

The County Board met for its most recent regularly scheduled meeting on December 17th. The most pertinent legislation considered included:

- Supervisor Taylor voted in favor of a resolution that would have permitted the County Parks Department to negotiate and execute a lease agreement with the City of Greenfield to transfer Kulwicki Park's improvement and maintenance responsibilities to the City. The resolution failed, 5-12.
- Supervisor Taylor voted against suspending the rules to consider a resolution that would support the District Attorney's appeal to the U.S. Supreme Court of the court order halting the "John Doe II" investigation. This resolution would also pledge funds to pay for the appeal and/or any related litigation. The measure, which required a 2/3 vote of supervisors, failed 9-8.
- Supervisor Taylor introduced his Milwaukee County redistricting resolution at the Board's December 3rd Judiciary, Safety and General Services Committee. Since then, he has solicited feedback from fellow supervisors and community stakeholders about how to best implement the reform. The resolution will strive to transfer redistricting powers from politicians to an independent panel. The updated redistricting reform resolution is expected to appear in front of the County Board for a final vote at the March 17th meeting.

The next meeting of the Milwaukee County Board of Supervisors will be held on Thursday, February 4th in Courthouse Room 200. To view the votes on all actions taken by the County Board and its committees, please visit the [Milwaukee County Legislative Information Center](#).
