Alderman Milly Santiago supports Police Roll Call

An opportunity to work on restoring trust between police and community

Alderman Milly Santiago (31st Ward) will join Anthony Escamilla, the new Commander of the 25th Police District for a Roll Call **this evening, Wednesday, February 3rd at Lockwood and Oakdale (5300 West and 2930 North) at 9:30pm.**

“I am very glad to see Commander Escamilla hitting the ground running”, said Alderman Santiago. “While the 25th District has been relatively free of recent controversy, this is a great opportunity to help restore trust and improve our working relationship. I want to support this Roll Call and I am asking neighbors and community members to come out and work with police. The police may do the work, but they definitely need and want our support and help. These are rough times for our police and the city in general and opportunities like these are extremely important and necessary.”

Commander Escamilla has scheduled two Roll Calls for the 31st Ward. One Roll Call is scheduled for tonight and the second for this **Friday, February 5th at 4pm at Barry and Keating (3100 North and 4730 West).**

Alderman Santiago has extended an invitation to Mayor Rahm Emanuel to attend both Roll Calls. State Representative Luis Arroyo and Cook County Commissioner Luis Arroyo, Jr will be in attendance as well.

Newly elected in April 2015 as alderman of the 31st Ward, Milly Santiago has been very active in meeting with police officials and community members on public safety even before she was sworn in. She fully supports initiatives where police and community have opportunities to work together.
