

Application for Missoula County Executive Board

Willis Curdy

11280 Kona Ranch Road

Missoula, MT. 59804

Target 97

Congressional Committeeman

1. I am currently serving my second term as the State Representative for House District 98. I am also currently serving my second two year stint as the Congressional Committeeman for the Missoula County Democratic Central Committee Executive Board. I have been actively engaged in Missoula County Democrats since the 1984 elections. I have worked for various campaigns since that time. I have knocked doors for dozens of local, state and national candidates during that time. I am continually working to recruit and elect Democrats to local and state offices.
2. While on the Executive Board I have been actively engaged in program planning, strategic goal planning and execution. As stated in question number one, I have been actively engaged in promoting Democratic principles and values as a Central Committee member and a state representative.
3. I have worked on campaigns for Democrats running for Congress and the U.S. Senate. As a member of the monthly meeting program development committee, I have reached out to Missoula Community members in an effort to make our monthly meetings educational and informative.
4. I work best in a collaborative setting. As a state representative one cannot work in a vacuum or as a single operative and be successful. It takes a team effort to make decisions and execute the groups' program. Conflicts must be settled by a consensus approach. Everyone has to meet at a point where everyone agrees on a plan and move on from that point.
5. As mentioned earlier, I have given a considerable amount of time to fulfilling my responsibilities to this position. Rarely do I miss an executive board meeting except when I am serving in the Legislature.
6. My goal is to continue to make the Missoula County Democratic Central Committee a vibrant, activist organization to electing candidates at all levels of government. As a state legislator I know very well the importance of electing Democrats to the State Legislature. We have three Missoula area seats to take back, elect a Congressman, a U.S. Senator in the next two years. I want to set a schedule for attaining those goals this fall for the 2018 elections.
